Absolute Boyfriend, Vol. 3 Yuu Watase

Shy high school student Riko Izawa aches for a boyfriend but guys just won't look her way. Then one day she signs up for a three-day trial of a mysterious "lover figurine," and the next thing she knows, a cute naked guy is delivered to her doorstep--and he wants to be her boyfriend! Has Riko died and gone to heaven? The cute naked guy turns out to be smart, super nice, stylish and a gourmet chef. Plus, he looks like a million bucks. Trouble is, that's about what he's going to cost Riko because she didn't return him in time!

Evelyn says

Night got brainwashed...literally...and now he's got himself a new girlfriend.

Riiko's gotta kiss him to switch him back. And this wouldn't have happened if she'd slept with him.

To remedy that, Gaku whisked them away to an island. Night decided to bring Soshi.

THIS ISN'T GONNA BE AWKWARD AT ALL!

This series has 6 volumes.

Mika says

.5+ for the dad chapter which felt relevant, interesting and led to a funny scenario while still moving the story forward.

Unlike the rest of the volume. I mean Jesus, one moment we are saving Night, then on an island, then in a spa, and then at home. All throughout, Riiko keeps warffling on who she ~*Truly Loves*~ instead of progressing even a little.

And my gosh the sex thing is annoying, just ENCOURAGING the culture of sanctifying virginity.

Very Disappointed. Are the next two volumes EVEN MORE WARFLING? Must I wait until the last volume for ANY forward motion (only to have it seem abrupt and sudden because the author only allowed herself ONE book to wrap it all up?)

Leila Anani says

Riiko wins back Night but she still can't decide who she loves, perfect lover Night or her best friend Soshi. Soshi reveals his feelings to Night and the pair go head to head trying to secure Riiko's affections. Spanners in the works in this one include Gaku constantly trying to get Riiko to sleep with Night and the fact that her parents return out of the blue and her father favours Soshi....

I seriously can't call this one. I'm as torn as Rikko while a huge part of me wants her to end up with Soshi, Night's just so perfect that it's going to be tragic if she ditches him! Shojo manga by one of the finest creators in the industry, while I prefer her fantasy stuff I'm fairly hooked. Can't wait to see how this turns out!

Beck says

I was really surprised at how strongly (and overtly?) sex has been playing into these last two volumes. Shouldn't be considering the whole premise is that she ordered a really expensive Nightly Lover figure,

but...there we are.

I'm not sure how I feel about Yuu Watase's author notes on this series. They don't annoy me as much as whossit's video game blah-blah-blah, but they're not as endearing as some, either. Man, these manga creators seem crazy overworked! I'd like to know more about that aspect of the culture/career field.

Christine says

I know this is only the third volume, but I feel bad for Soshi. The boy's getting shafted and needs to move on.

Mari?ina says

In this volume the rivalry between Night and Soshi touches a whole new level. After Riiko succeeds in rebooting Night, the need to get closer becomes almost mandatory... but Gaku has an idea, and of course like every other one he had is fun and naughty..hehe

Riiko finally realises that Night is the one and their adventures will take place in a tropical island, a crazily scary spa and a hotel!!!

THOUGHTS ABOUT THE BOOK

- Night!!!! I love that guy.
- Soshi is good but i still don't like him. Actually i know it's bad to say it but, i HATE that guy!
- The artwork is great!
- Night wants to become human fo Riiko's sake, so he will be what she wnats. awwww!
- Riiko, always the silly, clumsy girl.
- Gaku is hilarious!

Michelle. D. says

OMG!!!! I LOVED THIS SERIES!!!!

This is a review for the overall series. I give the overall series 5 stars! You know why? Because it was awesome!

The first thing I want to talk about is the ending. Oh, how tragic it was. Oh, how it made my sad. Oh, how it made me cry. Night is "dead". I wish he weren't dead. He just didn't deserve to die. T.T I am so sad. I wish so bad that he weren't dead. He was funny, charming and good looking. He should be alive and with Riiko. T.T He was so lively. Good at cooking, sports, academics. He loved Riiko SO much. He loved Riiko and getting naked. but now he will get naked no more. T.T I wish he were still alive.... And he was so sweet to leave

send that note to Soushi and and and... sigh... I wish he were still alive... T.T

R.I.P Night ♥♥♥

So Riiko is a girl. She loved Night very much. He sadly died in the end and she kept kissing him to bring him back, but sadly, he didn't wake up... She was clumsy and very dense but is very kind and sweet and smart. Soushi is taking care of her now... She still loves Night though, even though he's dead. Riiko is a good character. I love her face and who cares if she is flat-chested.

Soushi was always in love with Riiko. But never had the guts to say it to her until she was taken. He still loves her and accepts that she loves Night. I felt sad when he was leaving for Spain but then he came back because Night asked him to take care of Riiko. AND THE NOTE! THE NOTE! That note he received from Night. T.T

There were many events in the story that made me laugh because they were so darn funny; like all those times when Night gets naked. There were many events that made me sad; like when Night died T.T . There were many events that made me go "Awwwww! <3"; like all those times when Night said I love you to Riiko. There were many amazing events in the book. I still remember most of them in my head now.
<3333333333333333333333

The series was funny and witty and romantic and sweet and actiony and thrilling and just simply amazing. I don't think it could be any better than it already is. I had a great time reading it and hope that many other people will read it and enjoy it too. I recommend this manga to everyone, including boys. Who cares if it's a shoujo manga? It was freaking great! So go out there and read this manga called "Absolute boyfriend".

Samantha wickedshizuku Tolleson says

This volume starts off with Chapter 13:Return.

I'll write more when my editing mode hits.

Happy Readings!

Fly my Pretties! Fly!

Hannah says

This was a good third installment of the series, although I did feel like it was a little rushed. There were a few parts where I had to re-read to fully understand what was happening since the art didn't help, but overall it was a good read. I'm looking forward to receiving the fourth book.

Lauren says

When you want a boyfriend none are around, that is just how Riiko feels. On the path of desperation she signs up for a free trial for a robotic boyfriend. What can go wrong right? Nope, wrong! Riiko receives the extravagant Night, a hot and sexy man that only wants to please her.

Seriously this is one of the best manga I have ever read! It is filled with romance and comedy and enjoyable characters. I fell in love with every aspect of this series right from the beginning. There is an interesting love triangle that also develops, I had a hard time choosing which guy I would end up picking, you will have to see for yourself.

Riiko is just a doll! No, not literally, but cute nonetheless. She is always looking on the bright side of things and is protective of the ones she loves. Night is the epitome of every girls dream guy. He is so adorable when he is learning all of the different emotions and things Riiko is trying to teach him. Night is really cute when he starts becoming overprotective of Riiko.

I really wish they would make it into an anime!!!

Ezra Bellwood says

I think the hilarity dipped down slightly in this volume but I'm sure it will pick itself back up in the next one.

G?????? says

Review of *Absolute Boyfriend* volumes 1-4:

For some unknown reason I'm not a fan of Watase's manga.

This is a sad thing because it's hard to find a manga author so prolific as to write so many different series' to like, love, or something in between. I have read volumes of her *Alice 19th*, and *Ceres* and in each series there is something...missing. I can't define it really, but it feels like if the book had a head, legs, or arms it would be missing one of them.

Watase has written a lot, and I wish so much that I could find some lilliputian amount of redeeming value in *Absolute Boyfriend* but I just can't. It's insulting, anti-feminist, and all around not a functional form of entertainment for me. There's so much stupidity in the plot it's painful, and the girl protagonist is a train wreck that sullies female self confidence, independence, and social standing in relation to men.

All of this sort of sealed that I wouldn't appreciate this series, but I know for sure it's beloved by many others.

Ginger Woods says

[Yeah now we can go have sex in the suite!" (hide spoiler)]

Ceejay says

This rom-com manga, written and illustrated by Yuu Watase keeps getting better! Gaku, who arranged the shady purchase of Night by young Riiko, informs her that she will make love with Night so that he's never interested in any other woman. Headquarters insists. This volume shows us just how hard such a project can be! And than.....well, I don't believe in spoilers. Let's just say that 16 year old Riika Izawa is in for a big surprise!!

Kathleen says

Soshi begins to distinguish himself as a solid romantic choice, here! The series continues to be ridiculous and touching in turns.
