Neldehaibi7 says

Darren wanted to find the vampaneze lord in order to have the vampire clan victors of the War of Scars. But, the vampaneze side of the clan are tricking Darren into going to school. So, as Darren attends his new school, his english teacher is his ex-girlfriend, Debbie, and he also comes across his old friend Steve. Then, the vampaneze hunters encounter the vampaneze and officially starts the bloodshed. Cirque du Freak: Allies of the Night is a book about fate, good vs. evil, and sacrifice.

Mac says

This book is about Darren Shan going to Mr. Crepsleys's home town once again to hunt down vampaneze. Strangely the principal of a high school says that Darren hasn't been to school in a long time so he has to come back to school, and one of his teachers is his old girlfriend. At night Mr. Crepsley and Darren hunt down vampaneze. When they are hunting them down they find out that R.V. is now a vampaneze!!!(R.V. is from book 2.)I would recommend this book to all boys and girls that like vampires and heart racing action.

Hannah Belyea says

The time has come for Darren, current Vampire Prince and hunter, to face the ultimate challenge: returning to the daily routine of school with his old friends! "Allies of the Night" returns to its roots with an engaging entry to the "Cirque Du Freak" series, where a mixture of art by Arai and story by Shan make for a wonderful read. Settle down for an enjoyable adventure that keeps the surprises coming at a breakneck pace!

Btheilmannngohr3 says

In this book, we meet some returning characters, such as: Debbie, an english teacher, R.V, whose now a vampaneze, with hooks for hands, and Steve. Steve tries to play good guy at the beginning, but ends up being the bad person he is. They also encounter the vampaneze lord a second time, but fail. The book also leaves off where Darren and Co. have to escape the sewers, with Steve as hostage.

Nidah (SleepDreamWrite) says

Liking the art more as the series goes on. I wasn't sure about it at first, but its good. Not great but good.

David Chen says

This book is very interesting because I love how Darren and his friends work together to overcome the problems that they were having trouble dealing with. I also loved how Darren's friends helped Darren to deal with the enemies that they have trouble fighting. My favorite part is when his best friend from school as known as Steve Leopard saved Darren from one of the vampaneze. Which were the bad guys, my favorite part is when Debbie Hemlock which is Darren's girlfriend helped Darren catching up with his homework and all of the other work that Darren was missing. I also liked how Debbie fooled around with Darren when Darren was acting wierd. I also liked how Darren and his team of friends helping each other to come up with strategies to defeat all of the vampaneze with teamwork.

J Jahir says

grandísimo libro. creo que ha sido uno de los mejores para mí. Ha estado brutal, y realmente todo lo que había imaginado o me venía suponiendo a lo largo de la serie, se ha cumplido. Darren en su búsqueda por encontrar al lord Vampanés, llegan al lugar y se involucra en una situación inesperada para evitar que los vampaneces ataquen la ciudad. Ahí se va a encontrar a alguien de nueva cuenta que jamás pensaba volver a ver, y sinceramente yo tampoco. además, aparece en escena uno de nuestros personajes favoritos... (insértese sarcasmo), sí, Steve Leopard. y será mejor que estén atentos. ¿será confiable después de todo? bueno, a descubrirlo.

Tanya Tan says

So many words to describe this lovely book <3
I was sooo glad to see Debbie and Steven again
I gotta say, Darren looked pretty cute in his school uniform lol
I cant wait to read the next volume >:D
And i totally agree with Takahiro Arai "DAMN YUUUU STEEVE!!!"

Miss Ryoko says

[return of Steve (hide spoiler)]

704 Ben says

MY thought, was really this
WHO THE HELL ARE YOU!?! I DO NOT REMEMBER YOU FROM ANY OTHER OF THE SERIES!!
okay, so this RANDOM AS HELL charictar kinda just seems to show up and i forget who this guy is- i don't remember him from the other books
(he is most likely some charictar who was really importent from the before hand in eather the first, second or third book and have no idea.

im kinda stupid when it comes to charictar that only showed up in the first or second books of a series. deal with it) AND IT WAS JUST LIKE THIS: "SUPRISE! I SAVED YOUR LIFE AND CAME OUT AND NOW I HUNT VAMPANEZE NOW, LOL".

and this is were i said something only a sane person would say...

WHAT...THE...F(censored)

(censored because this is a note for school. if it wasint...oh god)

and the swears just went from there...AND THEN THERE WAS THIS RANDOM FEMALE CHARICTAR, AGAIN I DONT REMEMBER AT ALL WHO THE HELL THIS WOMAN IS AND WHY SHE FREAKIN MATTERS...oh wait...its Darrens apparent girlfriend...

WHAT THE F(censoredX100).

also she gets kiddnaped like EVERY OTHER FEMALE CHARICTAR IN MOST STORYS.

because that is one of the flaws of being a hero, the love intrest allways get kiddnaped..I MEAN FREAKIN ALWAYS. its a theme that keeps happening OVER AND OVER AND OVER AND OVER AND OVER A....*5 hours later*

AND OVER AGAIN...and the way that she got kiddnaped..the song you could of played at the moment was the troll theme.

this is how it was: "IM KIDDNAPING YOUR GIRLFREIND...TROLOLOLOLOOOOLL
LOLOLLLLLL..TROLOLOLOLOLOOOOOLOOOOLOLOLO!!!"..yeah

SO much wtf in this book

that is all

Myka says

My reaction to older Steve's manga reincarnation was worth the price of admission.

Sam Chapman says

This was soooooo good.

I love Steve's return and us finally getting to see his dark side. This was so good. The best manga version yet, I was very tempted to give 5 stars but I promised myself I wouldn't give the, out too easily.

I hope the artist does a good job of the next book when Steve is revealed as the Vampaneze Lord

Evelyn says

The search for the Vampaneze Lord has brought Darren and Crepsley back to Crepsley's hometown. And someone set a plot in motion, forcing Darren to go to school where he meets an old friend.

But the best is yet to come, when Darren is attacked by a Vampaneze with hooks for hands, another old friend comes to the rescue. Steve Leonard.

Just hallelujah Steve's back and he's aged well. And that Van Helsing entrance and getup looks *very* good on him. And if I'm calculating right, he's right about my age~ (You older readers will understand my joy)

If you haven't guessed, Steve is my second favorite character (Gavner is still number one) (view spoiler)

This series has 12 volumes and is based on the Darren Shan novel series *Cirque du Freak*.

Emmy Ruijven says

Oh S. you special snowflake.

Sarah Maddaford says

First, I will say that I really enjoyed this book and have enjoyed the series so far (despite some issues). The pacing is always excellent and even though the mythology is somewhat weird it works. The characters are well written. I like the ones that I like and I really hate the ones that I don't. Of course, I don't think I'm as attached to some of the characters as their importance to the story would normally cause, but that's not too big a deal.

The level of violence wasn't as bad in this book as in others in my opinion. There was some high school bullying, some gun and knife fighting, and some minor (nameless) character deaths. Darren kisses Debbie (who is his teacher). There was some cursing I believe, though it may have been made-up cursing rather than modern cursing.

There were some problems though. The fact that Steve returned only to betray them (especially with his elaborate plan) was cliché. I kept hoping that Steve really had shaped up and realized that Darren wasn't his enemy (I didn't really care if he hated Crepsley because not turning him and calling him evil was a pretty big insult), but I figured that the obvious would occur and that he was just leading them on. The thing with Debbie shows part of the reason that vampire romances are creepy: even though they are technically the same age, she is his teacher and thus it is extremely awkward for him to be crushing on her still... That and he still looks fifteen while she looks almost thirty.
