## **Destiny Bay: Baby Dreams Boxed Set Vol. 1** Helen Conrad

The Carringtons, like most rich, influential people, are good-looking, fast-driving, hard-hitting men and women whose impulses lead them into trouble every time. But most of the ladies reach that stage of life where a yearning to bring a baby into the world begins to take over. Some of their men feel the same and some have to be convinced. Here are a few of their stories.

This boxed set includes books 1, 2 and 3 of the DESTINY BAY--BABY DREAMS SERIES

### Book 1-DESTINY BAY--BABY DREAMS

Husband Wanted:Will Train

It seemed a harmless game--until she found out who he really was.

Charity Ames is trapped into a lie and she hates it. She needs a man to pretend to be her husband for a few days--so she hires one. Expecting a gargoyle, she's amazed when he turns out to be a very appealing hunk.

Ross wants something Charity has, so when he gets the chance to pretend to be her husband, he takes it. But Charity is not the brittle business woman he expects and he falls hard and fast for her barefoot, South Seas image. Trouble is, it's an image she's trying to deep six, and she can't really believe a man from a prominent family like his--and with a terrifying mother like he's got -- would want anything to do with a girl of her shady past.

When she finds out he's trying to trick her just like she's trying to trick her aunt, she's heartbroken and resentful. Can true love bridge the gap between their backgrounds and set the stage for baby-making happiness?

Includes love scenes.

Original version published in print by SILHOUETTE DESIRE and recently revised as part of the Destiny Bay Series.

### Book 2-DESTINY BAY--BABY DREAMS

The Baby Invasion

Scott Carrington--bachelor for life. The man is downright allergic to children. So when divorced mom Cathy Feenstra appears next door with six young ones in her care, he vows to stay as far away as he can, no matter how cute and sexy she is.

But Fate is not on his side. When a bad guy threatens Cathy, Scott finds himself playing protector, and before he knows what hit him, he's racing across the countryside with a van full of babies and a cuddly woman he's rapidly falling for.

Includes love scene.

Original version published in print by SILHOUETTE DESIRE and recently revised as part of the Destiny Bay Series.

### Book 3-DESTINY BAY--BABY DREAMS

#### Waiting for Someone Like You

Like Spy versus Spy--Kat Clay is sure that Tanner Carrington is involved in trying to con her naïve mother, while Tanner thinks Kat is a gold digger after his rich uncle. They're both wrong, but it takes untangling to find that out, and in the meantime, they fall for each other-hard.

Includes love scenes.

Baby Dreams,  
Three good stories, all about the same family, not anxious to,. commit. I enjoyed the three very much, no. swearing makes a very nice change.

**Ok Series**

If you like goody two shoes romance stories that are hard to believe then these stories are for you. The first

and second story was lacking in details that I felt were important, but what caused the three star rating was the last story. I felt like if I had to read one more line regarding who was scamming to get their hands on the others money I was going to throw my Kindle at Kat or Tanner, either would do. It had the potential to be good or at least maybe funny but how many ways could you write suspecting a scam? I have read other sort stories of romance, The Pride series by Jill Sanders for example, that were rich in details and stories that were more believable. And I enjoyed the Destiny Bay Romances. I purchased the Destiny Bay Baby Dreams Vol. 4-6 at the same time as this set but I will maybe read them later. I am sorry to write this review, it just wasn't my cup of tea.

#### **Nice stories but written poorly**

The stories themselves were interesting and caught my attention. The problem was that the point of view switched too frequently, sometimes within the same paragraph and that made the stories difficult to follow.
