**Harrington on Cash Games: How to Win at No-Limit Hold 'em Money Games, Volume II** Dan Harrington , Bill Robertie

The first years of the poker boom were fueled by the interest in no-limit hold 'em tournaments. Recently, however, players have been gravitating to another, even more complex form of hold 'em - no-limit cash games. Harrington on Cash Games: Volume II continues where Volume I left off. In sections on turn and river play, Harrington explains why these are the most important streets in no-limit hold 'em, and shows how to decide when to bet or check, when to call or fold, and when to commit all your chips. In later sections, Harrington shows how to play a looser and more aggressive style, how to make the transition from online to live games, and how to extract the maximum profit from very low-stakes games. Volume II concludes with an interview with Bobby Hoff, considered by many the best no-limit cash game player of all times, who shares some of his secrets and insights.

Dan Harrington won the gold bracelet and the World Champion title at the {dollar}10,000 buy-in No-Limit Hold 'em Championship at the 1995 World Series of Poker. And he was the only player to make the final table in 2003 (field of 839) and 2004 (field of 2,576) - considered by cognoscenti to be the greatest accomplishment in WSOP history. In Harrington on Cash Games, Harrington and two-time World Backgammon Champion Bill Robertie have written the definitive books on no-limit cash games. These books will teach you what you need to know to be a winner in the cash game world.

# **From Reader Review Harrington on Cash Games: How to Win at No-Limit Hold 'em Money Games, Volume II for online ebook**

**Tobias says**

Not up to date anymore, like Volume I.

---

**Curtis Seven says**

This more in the style of a textbook.

---

**CV Rick says**

This is a very complicated poker book. It's not one to read once and then go out and play. This is a book to study, reference, and reread until you really get what Harrington is teaching. Like his other books, this one is definitely going to turn a profit for me, but don't bother reading it if you're not going to immerse yourself in the lessons.

---

**Keanu says**

One of the best books on cash games, if not the best.

---

**Zach says**

Harrington delivers again. His analysis of poker is more thorough and to much greater depth than any other author, and this book is no exception. I especially enjoyed the interview with Bobby Hoff. Vol 1 and 2 of this series are simply the best books on no limit hold 'em cash games and essential reading for any serious player.
