## Shifting Calder Wind Janet Dailey

Chase Calder has no recollection of who he is, why he came to Fort Worth...or who tried to put a bullet in his head the night that a cowboy named Laredo Smith saved his life. Laredo recognizes him as the owner of Montana's Triple C Ranch--but according to the local papers, Chase has just been declared dead, the victim of a fiery car crash.

The only place Chase can find answers is at the Triple C...and the only person he can trust is his level-headed daughter-in-law, Jessy Calder. Helping Chase brings Jessy into conflict with headstrong Cat Calder, and into an uneasy alliance with the mysterious and seductive Laredo. And when another family member is found murdered on Calder soil, Chase resolves to come out of hiding and track down a ruthless killer...before the killer finds him first...

"Dailey's latest romantic suspense, with all its secrets, intrigue, and machinations, especially Laredo's Remington Steele-type background, will continue to please." --*Booklist*

## **From Reader Review Shifting Calder Wind for online ebook**

### **Sandy Neal says**

Very enjoyable saga about the Calder family. Slightly distracted by errors which could have been caught in the editing process by a good proofreader. Will continue reading this author.

---

### **Maureen says**

This book Continues the Calder series and talks about Laredo recognizes him as the owner of Montana's Triple C Ranch--but according to the local papers, Chase has just been declared dead, the victim of a fiery car crash.

The only place Chase can find answers is at the Triple C. . .and the only person he can trust is his level-headed daughter-in-law, Jessy Calder. Helping Chase brings Jessy into conflict with headstrong Cat Calder, and into an uneasy alliance with the mysterious and seductive Laredo. And when another family member is found murdered on Calder soil, Chase resolves to come out of hiding and track down a ruthless killer. . .before the killer finds him first. . .

### **Eulalia Mira says**

4,5\*\*\*\*\*

---

### **Cathy Houston says**

good story with enough loose ends for another book

---

### **Dana says**

Chase Calder is shot in Texas and his kinfolk at the Calder ranch in Montana are mourning his death. Laredo Smith saved Chase but Chase is suffering from amnesia. Laredo has taken Chase to be taken care of by his mother Hattie, a registered nurse. Laredo learns who Chase is and packs up Chase and Hattie and takes them to Montana in time for Chase's 'funeral'.

Chase still doesn't remember who shot him but feels he can only trust Jessy, his daughter-in-law. Laredo and Chase decide to 'keep' Chase dead while they investigate who wants him gone. By keeping Jessy in the loop but not his daughter Cat, there are a number of arguments and fights between the two with Tara, Jessy's dead husband's first wife always getting a few licks in.

There are some definite sparks between Jessy and Laredo which I hope are developed in latter books and of course another major character is killed off. This was a good book but there is certainly a lot of murder around Calder ranch and I would hope to see more than one reach old age.

**Judy A. says**

Great read

---

**April Mc Vey says**

Good mystery but a bit predictable. Love the strength of the Calder clan

---

**Jennifer Iliffe says****Classic Janet Dailey!**

I enjoyed this book thoroughly. Classic Calder style and it brought me back to my teenage years when I fell in love with Janet Dailey books.

---

**Carah says**

Pretty good book.

---

**Lynn says**

I have been enjoying reading this series for the second time since it's been several years since I read it the first! I have to say of all the ones in the book Tara is the I would love to see get a very good chewing out and told to stay away! Looking forward the rest of the series!

---

**Christina says**

Good solid story. Not as much romance as usual, but more of a mystery with Chase having amnesia while his would be killer is out there somewhere...

---

**Mary says**

Started reading this series in the 80's. I think the last one was published just a couple of years ago. I've enjoyed them all, especially the early ones set in the old west. The newer one's are contemporary. It follows a large ranch owning family through the generations.

---

### **Layne says**

Good but not as good as previous books in the series.

---

### **Christi Mirada says**

I have read everyone of the books in the Calder series, and to me, this is one of the best ones. I don't know why but this book really hit a soft spot in my heart. This book surprised me and even though I had figured out before the end who the killer was...I couldn't put the book down.

---

### **Lee says**

Chase Calder has amnesia. He was attacked in Fort Worth, TX and doesn't know who he is or why he's there. Meanwhile the thief who stole his car has crashed the vehicle in a ball of fire leaving no way to identify the body except by who rented the car, one Chase Calder. Pronounced dead back in Montana, Chase is helped in Ft. Worth by Laredo Smith who recognizes him and helps him return to the Triple C Ranch where he rediscovers his identity.
