## **From Reader Review The Parting/The Forbidden/The Longing for online ebook**

### **April Horvath says**

Couldn't put it down.

---

### **Hannah says**

I loved this series! This series reminded me why I asked for salvation.

---

### **Kimberly says**

loved these books!

---

### **Emmaa22 says**

Set in the Amish community in the US, an interesting romance by dint of its cultural background. The author seems to have family connections to the community, hopefully making it more authentic. Lot of religious content.

---

### **Laura says**

I absolutely loved this series. It was an easy read, and I never got bored...I just wanted to keep reading it to find out more! It's very detailed without being over detailed. It reminded me very much of the Angels Trilogy by Lurlene McDaniel.

---

### **ASC Book Reviews says**

The Parting:

This book is wonderful for many reasons, and not just the interesting and lovable characters. The Parting is full of Amish history, and contains mystery and secrets. A must read, this whole series flows beautifully together. I have a warning though: if you read all three of these books one right after the other you may start using Amish phrases, ain't so? :)

My song choice for this book is: "What A Friend We Have In Jesus" by the Cluster Pluckers.

~ASC

Acts John 3 (Read it, Believe it, and Be Saved!!!)

The Forbidden:b

The Forbidden is an excellent sequel to The Parting. Delving deeper into the characters and revealing more about the Amish people; this book is a wonderful and sad. Leaving you with questions about the end and needing to jump right into the final book!

My song for this book would be: "How Can I Not Love You (Anna and The King) (Karaoke Lead Vocal Demo) [In the Style of Joy Enriquez]"

~ASC

John 3 (Read it, Believe it, and Be Saved!!!)

The Longing:

This is a good end that ties up the loose ends left flapping in the wind from the last book. Wonderful surprises and good endings await you in the final book of Beverly Lewis' series. I only had one fault with it; one end did not work out as I wanted. Though that is my opinion you must read and form your own! :)

My song for this book is: "Pass Me Not" by The Cluster Pluckers

~ASC

John 3:15-16 (Read it, Believe it, and Be Saved!!!!)

**Jeannie Merriman says**

Very good story. Shows how the love of our Lord can bring so much peace those close to us.

---

**Annette says**

I just LOVE all of Beverly Lewis' books that I've read. It's always so hard to put them down!

---

**Sandy says**

I've never read any Beverly Lewis' books until now. I loved this series! A fascinating look into the Amish culture. I enjoyed meeting each character and was left with wanting more. It has definitely peaked my interests in her other books.

---

**Kathy says**

Very good, suspenseful. Interesting view of the Amish society split.

---

**Geri says**

I regret not reading these consecutively, I could not remember some details of the first two by the time I read the third one. It was reasonably satisfactory in spite of that lapse. I like all of the Beverly Lewis books that I have read, and this trilogy is no exception. I especially like the inside look of the way the splits in the Old Order Amish played out.

---

**Janet Garrett says**

good series

---

**Theresa says**

I cried at some points where the characters found Christ.

---

**Cindy Jackson-Baker says**

As with almost all Beverly Lewis books, I didn't want to leave my Amish friends and couldn't wait until the next book.
