Willa's Butterfly Ballet (Scholastic Reader Level 2: WellieWishers by American Girl) Judy Katschke (Adapter)

There are some new butterflies in the garden! The WellieWishers make special wings and prepare a dance for them. But Willa's wings get muddy and broken. How will she welcome the butterflies now?

This Level 2 beginning reader is based on the bestselling American Girl WellieWishers characters and the charming animated series on Amazon. Includes a collectible paper doll of Willa to dress up!

Jillian says

Cute story about welcoming butterflies, and how even when everything seems to be going wrong, it can still work out.

Joey says

Such a cute story for really young children, there wasn't a lot to this story but it was still really cute.

Willa and the girls found five chrysalis and got excited ready to do a cute little dance to welcome them to the world, but when Willa falls and ruins her she becomes sad no longer excited for the butterfly's. But she gets Avery happy surprise as they hatch out and fly around them.

It's honestly so so cute and I know that little ones would adore this story. I always love reading the wellie wisher books, they may be aimed at a much younger age but they are so well written and fun to read.
