Since 2014, Tricia Arce has been serving handcrafted and creative marshmallow recipes from at Fluff It Marshmallows, a shop and s'mores bar in Gilbert, Arizona. Her frozen hot chocolate topped with marshmallow cream, gourmet mallow pies, marshmallow bowls, and mallow pops have gained national attention, and now she's ready to share some of her secrets so that marshmallow fans around the world can make these unique sweets in their own home.

Recipes for marshmallow flavors for every day and even holidays are included in this collection, including churro, toasted coconut, mint chocolate chip, pumpkin spice, peppermint, gingerbread, and Mexican hot chocolate.

In addition to marshmallows that are stuffed or dipped, you'll find recipes to compliment the marshmallows like homemade graham crackers, oatmeal cream pies, and many more.

Throughout the pages of *Fluff It Up*, Arce tells the story of how Fluff It became a successful sweet shop. She documents her ups and downs (from viral videos to a terrible experience with peanut butter) to provide insight into the entrepreneurial side of her tasty (and sticky!) adventures.

### **Catherine says**

I received this book free through Goodreads First Read.

A recipe book on how to make different flavor Marshmallows. I really like the explanation of the different ingredients listed and the reasons why you use certain ingredients at the beginning of the book.

I was let down a little when I realized that most of the recipes where almost the same throughout the book. The only real difference in the recipes are the different flavor choices or the different toppings.
