## Forbidden Dance, Vol. 3 Hinako Ashihara

Aya is more confident than ever that she belongs in the—formerly—all-male dance troupe COOL, founded and run by Akira, the boy she's falling in love with. But COOL is at a pivotal time—their anniversary is approaching and funds are running out. Unless Akira can find a sponsor to bring in da' noise and bring in da' funk, COOL will fizzle out!

## **From Reader Review *Forbidden Dance, Vol. 3* for online ebook**

### **Lauren says**

This series revolved around ballet and the author draws you into that world in an exciting way (and I don't even like ballet). All of the characters were really well developed in the series and the plot moved along.

### **Amy Peavy says**

What will happen next?

(Finishes on the way to Georgia)

---

### **Shiori says**

I have read a lot of manga in my time and I have read the little side notes that they put in. I quite enjoy those little notes. You can kinda get into the author's head and learn cool stories on how they got their ideas. For this the author keeps talking about how her characters all looking the same, how she likes so and so because they are easy to draw, and how she doesn't like drawing scenes because they are hard. I like the story. I really do, but her talking like that, I kinda lose a little respect for her when she talks about her own work. It ruined the story for me.

---

### **Chelsea says**

This volume was a great addition to the series and did a great job of adding depth to the characters. I also enjoyed reading about the how the relationship between Akira and Aya developed throughout this volume. This volume was a very enjoyable read.

---

### **Noseinabook says**

I read the first two books in this series back in HS and loved them. I definitely didn't enjoy this one as much. It moved really fast and yet it felt like not a lot happened. Still, I will probably go back and read the whole series when I get the final volume. In context it may change my opinion.
