## Highlander in Her Dreams Allie Mackay

*As a paranormal investigator, Kira Bedwell knew that her gift as a far-seer had its advantages. But while touring the ruins of a Scottish castle, she never expected to gaze upon the noble figure of medieval clan chieftain Aidan MacDonald....*

And she certainly never thought the irresistible Scot would appear in her dreams from then on.

Years later, while investigating time portals in Scotland, Kira again sees Aidan in person. When she unknowingly steps through a magical gateway, she finds herself face-to-face with the handsome Highlander - back in the fourteenth century!

Aidan is surprised - and delighted - to finally hold the woman he has envisioned for so long. But even as their romance transcends dreams to become reality, they find themselves under attack by Aidan's enemies. And it will take all of their courage and resolve for their love to survive beyond time itself....

ceritanya bener-bener kerent,, hehe

ceritanya gini, perempuan amerika namanya Kira. keluarganya suka banget sama scotlandia. dan suatu hari kira pergi ke scotland pake tur2 wisata gitu. pas di salah satu tempat pemberhentiannya yg namanya kastil wrath ato bisa dibilang reruntuhan. kira ini penasaran. jadi dia minta sama supir tur nya untuk ditinggal selama 2 jam biar dia bisa menjelajhi kastil wrath itu. padahal kira ini udh diperingatkan loh kalo kastil ini berhantu and bahaya banget. tapi kira tetep keras kepala pengen jelajah. alesannya sih karna ada kemungkinan dia ga akan bisa biaya perjalanan ke scotland untuk kedua kalinya. sopir luluh deh, serta wanti-wanti segala macem and kira ditinggal.

akhire kira masuk ke kastil nya itu. beneran reruntuhan pokoknya. lantai batunya rapuh dll. tapi ga tau knapa kira ada perasaan tertarikkk banget sma kastilnya. dia selaluu bayangin seorang highlander, dengan bodynya yang sip serta lengkap dengan kilt+pedangnya.

ehhhh, gag nyangka. pas kira udah sampe ditangga kastilnya n dengan susah payah, dia denger suara2 gitu,, and dibawah tangga nya dia ngeliat highlander impiannya lengkap sma atributnya! kira melongo, sampe ngira kalo dia mimpi sambil berjalan. highlander nya pas liat kira, juga langsung suka kliatannya... hahahaha (sya juga maoo.. ;p) dia beranjang ngehampiri kira diatas tangga yg masih melongo longo.

"you cant be anything. you're not even there." kira nya ngomong.

"ho! so you say? if my plaid's real than i vow i am too, nay lass, 'tis you who canna be here."

trus kira di brush kiss deh,... kyaaaa!! ;D,langsung ilang,, nooooo

and stahun kemudian kira yang masih berbayang-bayang kejadian pas dikastil wrath, tau kalo highlander yang nyium dia itu Aidan MacDonald. seorang laird dari klan MacDonald. dan mesti pas kira tidur, kebawa mimpi Aidan..... im burn for you, dan lain sebagainya (fuuuuuhhhh.....)

dari majalah supernatural, kira dapet kesempatan kembali ke scotland, ga buang2 waktu pas dikastil wrath, dia kesedot time slip balik ke jamannya Aidan itu.. (hohoho),...

selanjutnya.. silahkan baca sendiri..

lucu ngebayanginnya Aidan yang berusaha ngendalikan emosi pas ngeliat gadis impiannya, Kira, berdiri didepan matanya ., nyataa.....

I really wanted to like this book as the author is one of my favorites.. but sad to say this book just irritated the heck out of me - specifically the "o-o-oh and no-o-o!!" And I cannot imagine for the life of me that a powerful laird will have the same annoying expression.. it really should have been 1 star but I found Aidan kinda sexy hence the added star...

Loved the story, the plot, the characters, the mystery, and the fast pace. Love the cover art as well! Evan MacRae did a fantastic job giving voices to the men. His burr was wonderful and voice deep and rich. I think this is the first time I've listened to an audio book he's done. I will say that there is a noticeable difference between the narrator for book 1 and book 2. The narrator is talented, he just isn't one of my favorites yet. To be fair, he did a great job and this WAS my first time hearing a narration by him. The story, an excellent read and one you don't want to miss whether you read it or listen to the audio book.

#### **Great series**

I fell in love with your series and bought the rest of them. I can't wait to read them. Thank you!

I think this book went better with me than the first one, since it at least made sense.

- I liked the part where they went back and forth in time, though I don't know how they started dreaming about each other and even interacting in their dreams, but I liked that part it was their very own version of a dream date, where the dream was the underlined word here.

- I liked both characters, the hero was the typical highland laird and the heroine was the typical strong yet sweet one who was his match in every way.

- I liked the good cousin and how he in a way knew that her coming to their time was for his cousin and it wasn't some coincidence

- I didn't like the fact that they were in suspense most of the book first her thinking of him not believing her then trying to protect him from dying and preventing the kill, then ditching the past to the present and vice versa

- I liked the hero's meeting with her family ^^ it was nice and cute, yet in a way unreal, like seriously where

can you find parents who just got to know that your daughter is marrying an 800 something guy and time traveled and then never getting to see her again, there easy acceptance just wasn't normal cause it was so fast and easy

- Plus the epilogue was interesting (view spoiler)

Overall, \*thumbs up\*

#### **3,5 Estrellas**

Me gustó más que el primero aunque las historias de Allie Mackay no me terminan de volver loca, son amenas pero no van más allá. El romance de ellos sucede demasiado rápido y eso le hace perder un poco de "chispa".

### **Jade aka MrsTosh says**

This is the second book in the series and I really wanted to like but I just didn't. I struggled with the first book to be honest and this one was even worse, it dragged something awful and I just couldn't come to like the characters at all. Not sure i will read the next book in the series, even though I love the cover art.

---

### **Anne says**

Not the best time travel Scottish book I have read. It dragged a lot nothing much happening for ages and somehow couldn't get into the characters. I won't be getting any other ones in this series.

---

### **Kecia says**

I loved this book , actually she is one of my favorite writer's. I have read the entire series, and can't get

enough of her sexy highlanders.

---

### **Bev Walkling says**

This is the second book in this series and I preferred it to book one. The author clearly is inspired by Scottish history and again uses paranormal happenings to move things along but I still felt there was more steam than needed and less plot than I would have liked.

### **Richelle says**

I loved this book. The whole idea ignites dreams of my own for weeks. This book was an incredible love story and extremely funny...as all the books in this series are. If you are a fan of comedic paranormal, treat yourself and read these books.
