READ THE SHORT STORY HERE: <http://veschwab.wordpress.com/2015/01...>

This just made me miss The Archived. I miss Mackenzie. I miss Wesley. I miss Roland. I just miss this world and it's fantastic characters.

I was so happy we got this little snippet where we focus on Wesley. He's such a unique character and HIS NAME IS REVEALED. HIS. REAL. NAME. IS. REVEALED.

Also can we just talk about how the last line of this story MELTED MY HEART BECAUSE OF FEELS.

I need a 3rd book and I need it ASAP. I'm not ready to say goodbye to this world or these characters.

Oh and I know Roland wasn't in this story, buuuuut I really want a book where Roland is the main character. I MISS THAT GUY. HE'S THE BEST. & I imagine him having a very interesting past!

I might do a video discussion on this story, because I NEED TO TALK ABOUT THIS with fellow Archived readers!

WHO DECIDED ON THE LENGTH OF THIS?!?????!!!!

My cheeks hurt from smiling so much!

Wesley Ayers has stolen my heart and my smiles and my cooing. This boy is so. Bloody. Adorable.

I NEED MORE WESLEY AYERS IN MY LIFE.

Gaia says

if i don't end up getting in a relationship with someone that is at wesley's level then what's the point

Pinky says

YES I AM SO HAPPY THAT THIS WAS AVAILABLE! After reading the Unbound, I started researching about the possibilities of getting a third book in the series. And it Victoria Schwab says that she has plotted and planned out the third book and it might come out this year. But she doesn't know which type of format the book might come in but I really hope it comes out soon.

Have you ever went through the phase where you are in love with a book and don't wanna read anything else other then the book. And you keep rereading scenes and stalking the book, hoping that there are more things out that are apart of the series. Well that is what I went through for the books and then I came across this short story.

I was so happy and relieved to have something more to read. And I read it as soon as possible and this story was so nice and sweet. I loved it so much because it told us more about Wes and we got to learn a little bit more about his background. We finally learn about this mysterious boy with a lot of secrets.

It was interesting and if you are looking for something more of the Archived series, **THIS IS YOUR CHANCE TO READ THIS! YOU NEED TO READ THIS BECAUSE I LOVE IT AND I KNOW THAT YOU WILL TOO!**

Anyway, as you can tell I loved this and highly recommend it to everyone who has read the Archived series. It takes place after the Unbound, so read it after that book. It was nice to read from Wes's point of view for once. And it was nice to see how he felt about Mackenzie and them spending time together!

mith says

tbh i can read this 16 times a day and never get bored or love it any less.

IM HYPERVENTILATING OMG I LOVED THIS IT WAS SO CUTE AND SO WESLEY AND I AM SQUEALING INTERNALLY

thank goodness this exists

I will read anything that has cute moments with Wesley and Mackenzie BECAUSE OMG THEY ARE THE CUTEST

—

Soon

WESLEY WESLEY WESLEY WESLEY
MORE WESLEY MY BABY OMG.

~~Will it have his real name????~~

AND IT'S AFTER THE UNBOUND.

THAT ENDING FOR THE UNBOUND? IT HAD A PROMISE OF THEM.

Oh god I'm fangirling I'm so ~~not~~ sorry.

I love Wesley. I love Mac. I love the Archive. I love Victoria Schwab. I wish this series would never end. :')

She doesn't just smile, she starts laughing, and I want to be angry but god, it's the most beautiful sound in the world, even better than that storm going inside her head. I would slay monsters and run through fire and jump off cliffs just to hear that sound.

high pitched screaming

(oh, and I also love Wesley's name LOL)

Debby says

Wesley is perfect.
Wes and Mac are perfect.
My ship is perfect.
I cannot.

Leave me here to die.

Do you want to enjoy a brief shining moment of happiness, only to finish it uncertain when you'll get another one? Do you want to hear a lovely boy say lovely things about the girl he loves? Read on.

Rayne says

Is my first 5 star rating of the year really going to be a super short extra scene from one of my favorite books from last year?

Fuck. Yes.

Something that took less than five minutes to read still made me laugh and feel the feels. My need to have The Archived book 3 immediately has been reignited. Victoria Schwab watchu doin??

Ferdy says

2.5 stars

Really short story from Wesley's POV. It was a decent enough read considering how much I hated Wesley turning into a typical slutty-flirty-cocky-secretive YA love interest in the second book. I still wasn't much of a Wesley fan in this, he was a bit too angsty for my liking but I guess it was nice getting a little more insight into his character, and his interaction with Mackenzie at the end was quite funny and cute.
