## **Reclaiming the One, Aimie Jennison**

At nineteen Cain Wilson met his true mate, Selena.

?

But their short-lived romance was doomed from the start for one simple reason - she belonged to someone else.

?

At twenty, he killed his father and handed control of the pack to his more capable, older brother Theo.

?

At twenty-five unable to watch his mate with another, he left the pack and became a lone wolf.

?

Now at twenty-seven, family troubles have brought him back to Mount Roxby and unbeknown to him, his true mate. Will he be able to put the past behind him and reclaim the one? Or has time built an impenetrable wall around both their hearts?

**Still suspenseful instalove that we had to be put on hold**

Wow didn't see that coming Selena and Cain deserve their hea Cain waited so long to tell Theo why he cheated with his ex-wife Celine Being Human didn't feel a heartbreak as much as Cain did is put a lot of pieces together from the first book and Selena story I highly recommend this series and author

**Perseverance Pays Off, Even When It's Painful**

When you want something bad enough, when it's meant to be, you have to never give up. Cain and Selena's story is heart wrenching and down right painful, kudos to Aimee for writing the truth, and the truth is that even when you want it and it makes sense, the timing isn't always right. Push through that pain and go after what you want, perseverance pays off and Selena and Cain's story once shared is incredible and beautiful, even the rough edges.

**Two for One Bargain**

Not only does our hero finally get a shot at the perfect mate which he allowed to slip away from him years ago, but he get a whole new family in the process, ( and we aren't just talking about the child Selena is carrying ). The pack is more than ready to welcome him back, and the family that had been falling apart at the seams when he left is now more or less whole once more. And that's a good thing, especially when he and Selena will need their help once the baby is born, and the baby's daddy steals the child away. Only have one complaint. The submissive wolves are described as if they are whimps in need of protection. Being a Patricia Briggs fan, as well as an admirer of actual wolves that kind of rankles a little. But that's just me!

### **Jemina Venter says**

Reclaiming The One was my favourite read of the Mount Roxby series books! I really loved Cain, and I thought I wasn't going to like Selena or Cain, but their story was heartbreaking and beautiful! Thank you Aimie! I love finding new genres and authors that I love to read!

#### **Reclaiming the One**

This is Cain and Selena's story. Here we read why he slept with his brother's wife. And why he reacted to her the way he did. She is carrying another man's child and so there will be drama with that. What Cain and his brother do about the past and future is decided.
