Slade's Feisty Mate R.E. Butler

Slade Carmichael, second oldest were-saber toothed tiger, is happy his brother Alaric found his mate. He can't wait to begin mate-dreaming about his own mate and get started on the next chapter of his life.

She-wolf Gretchen Havers is thrilled her best friend, Aubrey, found her mate at the were-fights and is happy to help Aubrey's new family get settled in the supernatural hotel where she works. It is just a typical night, until a sexy guy walks in the front door, locks eyes with her, and promptly passes out.

She never expected her mate to purr, but she's thrilled she's found her truemate. She's always thought of wolves as being the most awesome shifters because of their hunting skills and pretty fur coats, but she's beginning to think that tigers are pretty awesome too. Especially her truemate, who thinks she smells like butterscotch and likes how feisty she is.

Contains m/f interaction, a lot of pleasure, and several creamy puns.

This is book two of a great series. Sabers, yeah, you read correctly sabers aren't extinct, there is one family of siblings left. Alaric, the eldest just found his truemate after a year of matedreams. Did Slade get cheated? Slade just saw Gretchen and –well I think you need to read it to enjoy his immediate reaction—no spoiler. I will say it didn't take him long. Do wolves and saber tooth tigers (they are cats) get along? All I can say is if you can see through the steam you will get your answer.

This is another short story in the series, each is complete but you are gonna want to read them all. Gretchen and Slade know immediately who they are to each other. It doesn't take long to act on it. Another love story with little angst but caring a family loyalty and happiness shared.

My recommend and I am on to book 3.

A fun short read, shifter fans will enjoy getting to know this Sabre tooth tiger family.

So in this book we get to know Slade Carmicheal better as we follow him as he finds his true mate. The Carmicheal family are heading back to the hotel after the fight to celebrate Alaric (the eldest sibling) finding his mate.

When Slade enters the lobby gets a strong scent of butterscotch his Sabre lets out a Roar and he passes out. When he comes to he realises what happened, he's found his Mate.

This series can be read as stand alone novels as each one covers a different sibling on there quest to find their true mate. (But its more fun to read them all.)

I received this ARC in exchange for an honest review.

Boring. Stilted dialogue. Formulaic plot, almost procedural.

Slade's Feisty Mate
Saber Chronicles Book2
By R.E.Butler
I was given a ACR to read and give my honest opinion

This is a FANTASTIC storyline R.E. has again given us great entertainment I was hooked, charmed and reeled in from the first paragraph of this Saber-tooth tiger pride series and it gets better and better. Ms. Butler is a fabulous storyteller, she makes you feel as you are a character in the story. The description feels so real as if you have stayed multiple times in the hotel. The storyline is one that continues to compels you to keep turning page after page until you are finish with the story. Also I love when the story keeps you smiling and laughing as you read. The story is also mind-blowing, charming, fascinating and steamy hot as it draws you into this passionate romance. The characters are strong, captivating, sensual, attractive and full of your steamy fantasies as their chemistry heats and burns the pages. Their natures are witty, fiesty and do the sparks fly. The plot is fast paced but flows smooth and is well written. As I said there is a few laughs that will capture your imagination with lots of passion. The excitement of the characters dialogue is alluring, fetching and charismatic.

Slade Carmichael is andimspating his mate-dreaming to start now his brother has found his mate. But as is catch sight of Gretchen he shifts because he sense his mate. Gretchen decides that being mated to a tiger isn't so bad as a matter fact it's all what's she has been looking for. Now Slade can get started on the next chapter of his life in this sizzling awesome paranormal romance.

This is a Must on your TBL

I liked the first one in this series because despite the usual in this genre of making the h give up everything and follow her "mate" that so annoys me, the Author didn't fall into that trap. Sadly that did not carry through into this story, suddenly we want the little woman to sit at home and give up working as soon as they achieve their purpose for existing and produce young.

Slade's Feisty Mate by RE Butler

Another fantastic book!! Slade can't wait to find his mate and since his older brother Alaric just found his, that means Slade will start having mate dreams. Following Alaric and Aubrey into the paranormal hotel that

Aubrey's brother owns and she manages, Slade suddenly shifts into his Saber Tooth Tiger form and passes out in the lobby. When he comes to, he realizes that he's found his mate, Aubrey's best friend Gretchen, a wolf shifter. Gretchen is a sassy mouthed red head who can't believe her luck in finding such a sexy mate. For the saber family, getting mate dreams and finding their mates happen in chronological order, oldest to youngest and since Slade found his mate, Galen is super excited to finally get his mate dreams, except...poor Galen, somehow Lia is up next and I can't wait to read her and Aubrey's older brother, Caleb's story.

What a sweet read. I loved it! These kinds of books are perfect for a quick break and leave you with a happy feeling.

The plot is exactly as described in blurb. This story can be read as a stand alone but to avoid confusion it's better to read the first one, too. I really liked all characters and it was great to see the couple from previous book again. Slade and Gretchen are a perfect match and can't seem to keep their hands off each other. Loved Slade's possessive and caring side and of course Gretchen's fun and quirky personality.

A great read!

Safety gang: Completely safe. No OM/OW.

Book 2 Slade's feisty mate

Slade was the 2nd oldest in the saber toothed were tiger family. He and this family walks into the supernatural hotel. His eyes lock with the She-Wolf named Gretchen and he passes out and his saber tooth takes over. Good thing Gretchen knew what was going on because any other women might have freaked out.

Not Gretchen she is feisty but she never thought her wolf would end up with a kitty. Lol great hot story. I loved it.

Good novella

The sabers continue to fare well as they find their truemates. Slade and Gretchen are a perfect pair, bitten at first sight by the love bug.

What's Hotter Than A Saber Tooth Tiger?

R E Butler has always written wonderful paranormal romance stories and her Saber Chronicles are fantastic. Slade is the second oldest of the last remaining Saber Tooth Tigers. Usually Sabers have mate dreams that lead them to their Soulmate. Slade never got the chance to have his hot and steamy mate dreams. The night he walks into his brothers new mates hotel and sees Gretchen he passes out cold. When he wakes up is to find that Gretchen is his Soulmate. Gretchen is Aubrey's girlfriend and co-worker. She is also a wolf shifter. When she meets Slade she knows he's meant to be her truemate. Just when Galen thought he'd be next since he is next oldest he has one mate dream and wham Lia turns into her cat at a club accidentally. Had she found her mate ahead of Galen? I can't wait for the next book to see what happens.
