Starting Seeds Indoors: Storey's Country Wisdom Bulletin A-104 Ann Reilly

Since the 1973 publication of Storey's first Country Wisdom Bulletin, our commitment to preserving the arts, crafts, and skills of country life has never wavered. We now have more than 200 titles in this series of 32-page publications, and their remarkable popularity reflects the common desire of country and city dwellers alike to cultivate personal independence in everyday life.

Storey's Country Wisdom Bulletins contain practical, hands-on instructions designed to help you master dozens of country living skills quickly and easily. From traditional skills to the newest techniques, Storey's Bulletins provide a foundation of earth-friendly information for the way you want to live today.

Dustin Smith says

Meat and potatoes

Very simple and strait forward. If you have zero knowledge of starting plants this book will be useful. However, this is very basic information so if you have any relative experience this book won't be worth your time. Great book for beginners, no nonsense.

Chrissy Peterson says

simple starter book for the new/inept gardener. LOVE THE CHEAT SHEET IN THE BACK FOR WHEN/HOW/ WHERE TO START SEEDS!!!
