# Taken by Bikers

*Meg Jackson*

**Taken by Bikers** Meg Jackson

**Warning: Your kindle might melt. This story is that hot.**

*From Meg Jackson, author of **best-selling** motorcycle club romance...*

Sara's boyfriend thinks it'll be fun to spend the night at the town biker bar, but it turns out *she's a lot more welcome than he is*. After a **rough biker** stands up for her during a fight with her boyfriend, Sara finds herself unable to stay away from him, and she'll do anything *or anybody* to keep him.

*A 20,000+ word novella.*

## **From Reader Review Taken by Bikers for online ebook**

### **Halee Ludwick says**

#### **Not a romance more like nasty porn**

The book was good for a porno. More like a story of a whore then a romance but whatever.

---

### **Michelle R says**

Ugh, I don't know what to even say about this. I hate leaving bad reviews but I wish I had read one like this so I had known better than to read it. It starts off okay but after she comes back to the bar, stuff goes from 0 to 10 with her, if you read it prepare to be grossed out. I love a good menage but this book was disgusting, no one needs to hear how old, dirty, stinky and toothless the men are during sexual acts and based on the h's description of the bikers that cover is beyond deceiving.

---

### **Frances Demartinez says**

#### **Extraordinary sexual**

If you like to about a lot of sex with a big alpha male this is the book for you.

---

### **mnknnmnkn says**

Cliche

---

### **Arlene Adams says**

Dirty dirty minded book. I loved it!
