The Princess and the P.I. Donna Sterling HIS ARMOR WAS A LITTLE RUSTY...

Being a billionaire heiress wasn't all it was cracked up to be. Claire Richmond had had enough of bodyguards and paparazzi following her every move. She wanted freedom! Romance! A take-out burger!

The trouble was, when Claire finally did make a break for it, she didn't exactly fit into the "real" world. Luckily, her cousin had arranged for someone to keep an eye on her. With strong, sexy Tyce Walker by her side, Claire had no fear. Which only proved to Tyce that he was dealing with a complete innocent. And that *he*, with his hidden agenda, was a total rat.
