Finished Reading:

Yaad Shehar I & II By Nilesh Misra

Here are my honest reviews for these books:

I wish for more parts of these books III, IV, V and more.....

These stories in Hindi by Nilesh Sir are the part of my life and also for others. I felt as if I was there in that city, Yaad Shehar because all the stories in these books are great. Some of the stories are too brilliant while some are too emotional. Some stories are very funny while some are romantic.

I got totally engrossed in these stories. Both the books are unique and I liked the way in which some stories are narrated.

I remember some of the stories from the book, named:

"Papa se Shart"

"Ek T.V ki Kahaani"

"Ladies Tailor"

"Friend Request"

I liked these stories very much.

I must thank Nilesh sir for these beautiful stories and creating an imaginable city called "Yaad Shehar".

Those who are fans of reading stories and are in search of good brilliant stories, then these stories can be the best option for you. These will entertain you and will take u to the new world.

Read this stories like sip by sip. One or two stories at a time, think about these stories and you will feel great.

At some point you will also feel something special. You'll feel like going "Yaad Shehar" once.

If you want to live fresh then read these extraordinary stories.

I simply like these stories and I have read some of the stories twice.

I SERIOUSLY LIKE THESE STORIES.

My star verdict for these two books are:

*****/***** for I st

*****/***** for II nd
