Captured Countess

Ann Lethbridge

Captured Countess Ann Lethbridge

Never trust a spy!

Nicoletta, the Countess Vilandry, is on a dangerous mission—to lure fellow spy Gabriel D'Arcy into bed and into revealing his true loyalties. With such sensual games at play and such strong sensations awakened, suddenly Nicky's dangerously close to exposing her real identity.

Gabe knows that the countess has been sent to seduce him. The only question is to what end? He's never met such a captivating woman—and he's determined to enjoy every seductive second she spends as his very willing captive!

"Plenty of tension and dangerous excitement blended with poignancy and passion." —*RT Book Reviews* on *Falling for the Highland Rogue*

Monique Takens says

A very VERY sensual book , there was steam coming off of the pages !

Loved the story and Ann L.'s writing style , highly recommended for readers who like Stephanie Laurens .

Elizabeth says

Wonderful suspense and romance wound together. Well paced. My only comment is that there were many, many references to the character's facial expressions and body language which became a bit tedious. I mean it's not a screenplay. Otherwise, I found it a real page turner. I liked this author's writing style very much.

Lisa says

[

However, some of the other aspects of the book were a bit less fulfilling. I never really understood why Nicky, a Frenchwoman, was so loyal to the British. Nor how she'd become entangled wit

L.D. says

As the book states, "Never trust a spy!" Whose side are they both on?? That is what they must find out about the other.

Rebecca says

Captured Countess by Ann Lethbridge is a great book. This book takes you to Regency England. Gabriel D'Arcy a secret spy for the British against the French. Countess Vilandry a spy sent to test Gabriel's loyalty to the British. Their story turns into a great historical love story.

Lisa says

Excellent. Uncommonly good. Very action packed, suspenseful, and steamy to boot. The hero was so masculine and skilled in his role as a spy and patriot. Quite impressive! How he kept his emotions in check and stayed focused on the mission he had undertaken was admirable too. However, when he learned of the heroines's tragic past, he was able to show empathy so he wasn't a classic sociopath. He happened to be quite skilled between the sheets as well which he used to full advantage.

There were a few annoying typos near the end but not enough to detract. Enjoyed it immensely and will probably order a copy for my keeper shelf. Ann Lethbridge is a gifted author.

Rosemary K says

Gabriel D'Arcy, the Marquess of Mooreshead, is not who he appears. He's a spy risking his life to save England from Napoleon's invasion. His problem right now is the French Countess, Nicoletta Vilandry. Why is she set on seducing him to learn his secrets? Who is she working for? Gabe is a powerful character. I found him to be intelligent, determined and passionate in his beliefs and desires. He sets a course and is steadfast. Nicky is more than his match. I sympathized with the pain she endured to protect her sister. She will do what's necessary even at the risk of her own life. Gabe and Nicky have a love-hate relationship that captured me and made me want them to find love together. The story is well plotted and filled with surprising twists that took me by surprise. The isolated English countryside added to the story. I especially enjoyed Beresford Abbey and the resident ghost. For me the appearance of the Lady in White was pivotal to the story. I loved Captured Countess. Ann Lethbridge is such a talented author who always keeps me entertained with her passionate characters and fast moving story.

3.5

Maria says

Gabriel (Gabe) D'Arcy is a handsome but impoverished marquess who exudes a devil-may-care attitude of charm and sensuality as hemingles in a polite society that whispers about his native loyalties. But that's okay since Gabe is making a living as a spy in Napoleonic England. He works for an elite but unorthodox secret spy ring called Sceptre and the gossip about his activities works to his advantage.

Nicoletta, the beautiful Countess of Vilandry, was born Nicky Rideau, a wealthy French aristocrat whose parents were killed in riots during the Reign of Terror. Saved by a ruthless and unhappy marriage arranged by her uncle to an older and influential man, her life was spared but at a great and heartbreaking cost to both her and her younger sister, Minette, who has gone missing and whom Nicky seeks. Nicky is also a spy, but she was coerced into service in order to be able to return to France to find her missing sister. Her mission? To uncover the truth of Gabe's true loyalties—French or English? Her weapon? Seduction.

Lana Elizabeth says

In compliance with FTC guidelines, i received the book for free through Goodreads First Reads. Captured Countess has an engaging storyline, believable characters and a romance that does not disappoint.

Harlequin Historical says

received 4 stars @ RT Book Reviews

Harlequin Books says

"Adventure, sensuality and romance are beautifully blended as Lethbridge's captive/captor, spy vs. spy tale unfolds. Readers will be easily drawn in by the intrigue as the author carefully builds her plot, wrapping the reader in a web of deceit, mystery and passion" (RT Book Reviews, 4 stars).
