Alesia Russell says

Getting crazier with each book!!!

Lucci and Charm just can't seem to get it together. After everything Tammy went thru... she deserves some happiness. Knew the maid was going to be an issue. On to part 3!!!

BookPlugMegz says

Drama

This second part was just as good as part one. I had to take away a star due to some errors throughout the book. This ending was crazy. Just when I thought everything was getting better something comes in that's destined to break up Lucci and Charm. Let's see what happens in part 3.

Jasmin Watson says

Love and Hip Hop 2

This series just keep getting better. Lucci know he is crazy especially when it come to charm. I think she should have told him about Trey. I'm definitely starting part 3 I need to know what happen next.

Angela Burnett says

Crazy

Man Lucci just messed up again. He seems to be having bad luck everywhere. Charm ain't no good. She should have just confessed and said she new him and they had something. She might lose Lucci for good now. I'm glad Tammy finally got Diseil. I can't read part 3.

Hope Thomas says

Damnnnnnnnn....

I surely didn't expect that ending smh wow! I can't believe that Trey said that to Lucci smh n then had the nerve to spill all the beans smh. Lucci is about to be real pissed off n he going to jail too smh. How they going to fix this now smh.... I hope that she tells him that she is pregnant. Wow... I should have known that Tammy's mom was sick cuz she came to her house although Tammy was shocked how she knew where she lived. I can't wait to read part 3! This was fire right here! ????

Drama

Trey just had to be bish. He couldn't be faithful to Charm. But he wants to judge Lucci. To be honest neither one of them deserve her. But she should've told Lucci about Trey. And where this mysterious baby come from. I love Tammy and Diesel together.

Samantha Avery says

Love this story

It feels so real the trails and tribulations lucci and charm going threw every time they good some hater pop up I'm glad tammy found love now all I need is don and kim to find love

Shea Babe says

Good pt 2

Man when Trillz decided to be feeling himself and talk that trash to Lucci I just knew he was about to lose his life. It's crazy because Trillz and Charm are friends even if there were feelings there. He should've left his feelings with Charm and let it go but that ego I tell ya

LITerary Plug💜QueenIvy says

Shanae oliver says

Wait a minute...

First off, pissed that rock had to die...second, did I catch a time warp? Wasn't his mixtape for 2016 so how did charm graduate class of 2015? I'm actually scared to read part 3... Feel like something drastic is about to happen and loyalty tested...

Bookplugkay says

Oh man

Shronda says

Picked up right where it left off

It picked off where it left off in Part one. Lucciano and Charm still has alot drama going on in their relationship. Hopefully it will work out for sake of the unexpected pregnancy she just found out about.
