Itty Bitty says

I love so many things about this book first it's a Disney book and we love Disney in this family. Second it's a holiday book and that's something else we love in this family is holiday books! 3rd I love how it talks about feelings. Lambie gets jealous and has her feelings hurt when doc gets a new toy. She starts to feel left out that this new toy is taking over. I believe this gives parents a great opportunity to talk to kids about their feelings about being left out, jealous or not included. Over all we love this book! It is recommended for ages 4-6 but Itty Bitty sat in my lap for the whole thing pointing at the pictures.

This book helps encourage kids to talk about how they feel.

Viviane Elbee says

This is a good Valentine's book for fans of Doc McStuffins.

Lambie worries that Doc doesn't like her anymore because everyone likes the new toy, Val.

It's a classic "there's enough love for everyone" tale.

Whitney says
