## Officer and a Gardener Joyee Flynn

[Siren Classic ManLove: Erotic Alternative Paranormal Romance, M/M, vampires, shape-shifters, public exhibition, HEA]

Who would have thought a runaway brat, a destroyed garage, and a bad day would lead to meeting the man of your dreams?

Officer Kyle Moran has always been a protector and that's all he has ever wanted to do. When he's outed as a vampire while responding to an accident and things at work go to hell fast, he feels lost and debates moving. In steps fate.

Trevor has been trapped and abused most of his life... Currently it's his boyfriend and monster offspring. So no matter how much he wants to escape his situation it's understandable he's hesitant trusting a stranger even if he's a sexy man of the law.

After sharing a kiss that rock's Trevor to his core, he's willing to take the chance and even during all his chaos, Kyle knows he can help Trevor. The question is are what they want and what's best for them the same thing?

*Note: This book is written in first-person point of view.*

## **From Reader Review Officer and a Gardener for online ebook**

### **Pati says**

Another cute, lighthearted read. I really enjoyed the mistaken assumption that they are gardener not garter snakes and about why garter snakes got their names. Definitely gave me a few good laughs. Though really sort of wish that I'd read it in order.

---

### **Booklover95 says**

damn It! What the hell is Valter????!!!! Please tell me he has his own story and we find out what he is because i was during the whole book to find out and still don't know and it's driving me insane!

Still this series is getting better. The midnight matings series was getting a little old but this side series is certainly giving the stories new life. I'm looking forward to more books for both series

---

### **Cj says**

never, ever should rape be a minor plot point to be glossed over. I have enjoyed other JF books but noticed that the level of violence suffered by some of the "smaller" characters is increasing, and I won't do anymore - this is it - no more JF for me!

---

### **Ericka Walden says**

(Sigh.....) Just..... No..

### **Deirdre says**

#### **I said Garter Not Gardener**

I purchased this book four years ago nearly to the day July 17, 2013. I remembered that I liked it and planned to re-read it, but apparently never got around to writing a review which was common for most of the stories/books I've read in the past ( i.e. Stephen King, Dean Koontz, P. D. James, John Sandford, M. C. Beaton, etc. + several hundred western historical romances, along with Americana & Harlequin romances. And many older Westerns). The majority were paperbacks from used bookstores or hardcovers from the library. There was no Amazon back then.

Anyway I was surprised how much I enjoyed my second reading of this Unmated at Midnight series book. It was entertaining, amusing, before it made the reader upset, sad, then angry. Joyee Flynn is excellent at evoking emotions. Trevor was so sweet as the cute little Ribbon Garter Snake shifter. Innocent, defenseless

against larger controlling men / shifters who wanted to have someone to cruelly use and abuse. Unfortunately Trevor's small size, as well as his lack of any family or friends to come to his defense led to him being subjected to bullying, brutal assaults, degradation, and unmitigated fear.

Trevor was the perfect shifter for a millennia old Vampire to take under his protective wing. But the Vampire himself has his own set of problems as Colorado Springs Police Officer Kyle Moran. Being outted and feared in the department because he was not only a paranormal, but a "bloodthirsty" Vampire . He was discriminated against. His civil rights were trampled all over. But unlike Trevor, Kyle had friends, knew a lawyer, and he had money stashed from centuries of working so Kyle had a certain amount of freedom. A homeless, unemployed, abused small shifter did not.

Besides protection, Kyle brought something Trevor had never had a loving companionship, friends, a promising future, a job he was well suited for, and a bit boost to his self confidence. In return Trevor gave everything he was to Kyle and a very special mating present.

What a great way to spend a warm, but overcast Saturday afternoon with my Doxie companion, re-reading an engrossing story at the park.

### **Hc says**

I found this .... boring... While enjoying a break from over misunderstandings between partners, this didn't have enough conflict interesting enough. The biggest interesting thing is WHO is Valter and when will he get an extraordinary mate and exactly WHAT is he??

OH, and a side note... JUST because Trev's snake lets his body stretch to accommodate his partner does NOT give license to go with bigger is better! I felt like it was a point that Kyle was seriously hung (11 inches) instead of just going with looks and feels big in the genitals. Sometimes too big is TOO much and just going overboard.. do not find attractive/sexy...

---

### **Georgine says**

It was quite lovely. Was good to read about Korby and Amery again (their book is one of my favourites). Kyle and Trevor make a beautiful pair. Would LOVE to know more about Valter...

---

### **Donna says**

Now we wait....next book to be released on July 4th!!!

---

### **Janie says**

This was a very cute and funny short read. This was also the first time I've ever read about that kind of shifter, it was very interesting. While it seemed rushed, I enjoyed Kyle and Trevor getting together and their

mating. I was very interested with Valter, I wanted to know what he was, and I wanted him to find true love as well.

---

### **Lilladii says**

We are going to keep this short and simple.

1. it was not an enjoyable book for me
2. I cringed from beginning to end
3. The book and characters were everywhere
4. Not worth \$\$ for it
5. I should have known it was going to be...
6. I will never ever read a book by Joyee Flynn again. This is the IDK 4th book I have read and have cringed and literally crawled inside of myself.

So since I can't give anything else. I will walk away and give this half of a 1 star\*

read: 4/5/15-4/7/15

---

### **Alyse says**

This book left me wondering who Valter really is, I hope he gets his own story soon. Loved seeing Kyle again. I kind of wish the problems weren't so easy to get rid of, I felt like it was ok the decision has been made and guess what my old boss was a killer. Oh look your old abusive boyfriend just tried to hurt you, oh Valter can handle that, ok all good now...

---

### **~SexyBookWorm~ says**

Not that great. . . everything felt a little rushed. I'm all for accidental matings but something felt forced in this story for some reason. . . The story was cute and it was nice that Kyle found his HEA. I actually liked Trev and Kyle as a couple. I just think the story should have either started in a diff place or progressed differently. It seems like these Unmated books are hit or miss. . .

---

**Ken says**

Not one of Ms. Flynn's best. She had some good story and character ideas, but it felt rushed and not fully developed.
