Rainbow's End

Rebecca Brandewyne

Rainbow's End Rebecca Brandewyne

No one ever tamed spirited Josselyn O'Rourke-not her father, not the nuns from the convent where she was raised, and certainly not her father's business partner, a strikingly handsome ruffian named Durango. But when Josselyn returns to Central City, Colorado from Boston to claim her share of the Rainbow's End gold mine, Durango offers her an irresistible challenge: Become his partner in marriage and risk her heart trying to win his. Durango's sweeping desire-as overwhelming as a storm over the Rockies-makes it impossible to refuse his offer. And as he claims her with his kisses, Josselyn senses that in him she might find a treasure more precious than all the gold at the Rainbow's End.

adoree says

J'ai aimé ce livre car j'y retrouve certains éléments qui me plaisent dans la romance en général. Le héros est un macho. L'héroïne se laisse un peu, beaucoup faire *-).

Quelques petites phrases par-ci, par-là.

Bref, un bon moment de lecture.

Mindi says

This book was written in the 1980's, which explains its ridiculous portrayal of women. According to Brandeywine, they are either vain and greedy or stupid and gullible. Additionally, men are either conniving and pompous or near-rapists. Wow. I would not recommend this book, although I am certain that she has written better ones.

Misfit says

This was a terribly silly, unbelievable romance set in the Colorado Rockies. I am still trying to wrap my head around a former novice still wears her habit everywhere. Over sexed with no sexual chemistry and too many things that Judge Judy would say if it doesn't make sense, it's usually not true.

Oh, and over stuffed with adjectives and exclamation! points! a! particular! pet! peeve! of mine!!!!

M.A. Levi says

This story was really good!! I loved the imagery the author scripted. It was so detailed and lush in description, that it made the reader form into the story itself. Sexy, passionate, mysterious and edgy, overall great!!!

Julie says

it was ok

Ria says

I read this book probably two to three years ago. This is the first book I read from the author and I must say that I loved the plot and I love how very possessive Durango is to Josselyn.

I also love their exchange of words and especially when she runaway from him.

I highly recommend this book to those who love a possessive type of guy falling for a girl.
