The Fallen Guardian Steven R. Burke

Kana's plans begin to unfold as battles rage and war threatens all the free peoples of Tuwa. The Dwarves find themselves surrounded by mortal enemies with no way to receive help outside their mountain kingdoms. The fallen Guardian's minions grow in numbers and prepare to unleash their wrath on everyone in their path. Revenge as their motivation they move to put down the free peoples of Tuwa before they can mount a significant defense against their hordes. Even the enlightened Elves are not immune from falling prey to greed for their own form of revenge. Driven by the need for dominance, the High Elves ally themselves with those they once fought against. This addition to Kana's forces shifts the balance of power in their favor as war threatens all. Meanwhile, the Guardians work feverishly to thwart Kana's evil designs and are aided by Kishi and the Elves in the fight for freedom. Noble creatures join the good forces of Tuwa in their defense against those who would destroy and enslave them all. The bloody battle for Nairi reaches its apex while other areas brace for war to come to their lands. Other ancient councils reform to strengthen the resistance and to gather further allies in the cause. Both sides prepare for the inevitable conflict while fear grips the hearts of those who just want to live free. The calm before the storm is nearing its end as peace and prosperity cease to exist as conflict erupts. On the brink of oblivion a mystical source of power is uncovered which appears to hold the key to victory. The question is who will be the beneficiary and what exactly does it do.

I won this book free through a Goodreads First Reads giveaway. This was a nice novel. Well written and good characters. I always like a good good vs. evil fantasy novel.

Doug says

This book stands alone as a good read, but I can only recommend starting from the first, The Broken Council, and continuing onward. This is a great series; the characters are unique and the enemies are plentiful. Though there is a lot of magic in this world you find out quickly that the true power in this book is the rage and passion of those that are defending their people and lands! Pick these books up and dig in to this world!
