The Tycoon's Tender Triumph Elizabeth Lennox

Ever since she'd realized men were more than just irritants, Chloe had been fascinated by Sam Marchant. As the years went by, that fascination had grown into infatuation, to the point where simple dates with other men left her cold and unmoved.

So when Sam showed up in her life once again, larger than life and sexier than ever, Chloe was furious that she still had feelings for this man who would take her out to dinner one night, talk and laugh and make her feel special, then go out with another woman the following night. She tried very hard to hate Sam for that betrayal, but her body couldn't resist the allure of his magnificent physique. It was like her mind was telling her to run but her feet were...not just standing still but wrapping themselves around Sam's waist while her mouth kissed him with all the longing and need pent up for years.

Sam stepped in and gave her the courage to follow her dream. And that led to one incredible night in his bed. A night Sam was unwilling to allow being a one night stand. Getting Chloe to the alter though was going to be his biggest challenge because she was afraid of him for reasons she refused to discuss. He would win though, and he'd show her a love as big as the Texas sky. She just had to trust herself enough to let that love into her heart.

Katie Mitchell says

Young love

Sam and Chloe had wanted each other since she was in college. The feelings of each other unknown to either of them. It took 9 years before they finally got together with a little meddling help from her father and his cook.

L H says

couldn't make myself read more than 4 chapters....plot was soooooo.....simple and straightforward. nothing spicy or special

Elaine says

Not my favourite by this author.

Kathleen Niña says

I'm a big fan of Elizabeth Lennox and I always finish her books in a day or two but it's taking more than a week to finish this one. The plot is very simple and quite boring.

Missy says

A nice read.

Nice storyline, good characters but something was missing....

Like the read hot passion and the unique character traits. Both Chloe and Sam were somewhat dull. Yeah they both had their problems and secret desire but they didn't seem to be all that interesting and kept failing to hold my attention.

I have enjoyed all the other books by this author but this one left me kind of bored.

Sorry... :(

Judy Bolick says

The Tycoon's Tender Triumph

Sam has been in love with her since she was 16 years old! He thought she needed to grow more and experience the world! Boy was he wrong! See what her plans were!

Donna says

Sweet romance. Entertaining and engaging.

Michele says

Finally the truth comes out

Chloe and Sam waste so much time (years) not being honest with each other. They share friendship and an admiration for horses, land in Texas and love for Chloe's father. But it's not enough to keep them together, so she moves on with her life when she thinks Sam is only interested in keeping an eye on her well being. Years later after her father has an accident, they reconnect and sparks still fly. It's a good read with solid characters and good subject matter.

Cheryl Ann Waldron says

Something was missing

Right throughout the story I felt like something was missing between the characters. That hot, steamy, set the room on fire attraction wasn't there. It felt lukewarm actually. Was a bit disappointing.
