Sweet Recovery Jessie Lane

He broke her heart... now he has to pick up the pieces.

Lucas Young met the woman meant for him when they were just children. He spent years pushing the sweet, innocent Ginny away for one reason or another instead of claiming what was his, breaking her heart in the process.

Five years later, he runs into Ginny, only he no longer recognizes the person she has become. The good-hearted, free-spirited girl he loved is now a shell of who she used to be, living the sort of life she never wanted. And Lucas is driven to find out why.

However, uncovering Ginny's secrets will prove to be dangerous for them both.

Will he be able to piece back the broken woman who used to love him with every fiber of her being? Or did he push her away for good?

Warning: This is the second book in a three-part serial spin-off from the Ex Ops Series. Each of the three books will feature a piece of Lucas & Ginny's story and leads directly into the next installment. **IN OTHER WORDS, THIS STORY ENDS ON A CLIFFHANGER.** Also, be forewarned this story will make you laugh, cry, and possibly throw your e-reader at the wall. ;)

Hate cliff- hangers but that s one is so good!

Have to wait for the next one but it is worth it. A good story with the same tug and pull of the first book. Love her characters. They were well thought out and well rounded. Can't wait for the next one. Her books are spaced quite aside as part but they are worth it!

Sweet Recovery by Jessie Lane

I received this book from the author for an honest review.

This book picks up right after book 1 ends. Lucas sees Ginny at a bar and is going to claim his heart. So Ginny is BOMBED and a total mess. She has no clue who this bigfoot is that is taking her away. He sounds like Lucas but it can't be Lucas. He destroyed her and wouldn't care at all about her. The couple get reacquainted in a hotel room for a few days before Daddy Dearest shows up and threatens Lucas. So Ginny does what she has to do and leaves her heart in that room. The book does some time hopping for 6 months when Lucas reappears and throws a monkey wrench in Ginny's life and her daddy's plans in regards to Ginny's future.

I enjoyed the book but to be honest didn't feel that it needed its own book??? Sorry Jessie!!! I guess I felt like there story here was not soooo important that it couldn't have been included in the first book of the story since the final book with be the showdown between Ginny, Lucas and her father Richard. I am looking forward to book 3 because I want to see Richard go down!!!!

Good read. Lots of plot twists. Action and romance at its best. Looking forward to the last book in this trilogy.

I ended up skim reading this, i felt it was dragged out to make three books.

Laurie Gyd says**Love the action and romance**

Lucas and Ginny's story-this is a continuation of Sweet Agony and next book-Sweet Eternity will b the conclusion. I loved the action, suspense, and love shown by both characters. Looking forward to reading final book to ensure they get their happy ever after. Loved reading this story.

Christine says

Ginny is one feisty strong woman. Lucas is one stubborn complicated man. They make for one explosive couple. Could not wait to see where the story would go.

Jenna says

This is a continuation of Lucas and Ginny. There's a little repeating but nothing terrible and only here and there. The rest of the story.....i thought the first book was emotional....shew! This second was heart wrenching. I've never had such feelings of wanting to hug a male character than I did in this book. The last

scene.....another cliffy.... but swooooooon!!

Shaly says

2.5 Stars

How did we switch from Ginny being pathetic to Lucas being so fucking pathetic? These two poor souls truly belong together because being apart turns the both of them into whiny, sad and useless robots!

Enough said...

Sweet heaven this was good!

I love Jessie Lane's Regulators and Ex Ops books and this book carries on the bitterSweet love story of Lucas and Ginny that we read about in Sweet Agony. I couldn't put this book down as I devoured this book as fast as possible. Now I'm (im)patiently waiting for Sweet Eternity! And then

All I can say is WOW!!!!

Ginny and Lucas are my favorite couple. Sweet recovery has heart, action, tears, and survival. It left me setting on the edge of my seat and yelling at the characters. So much emotion. Have to say this is a continuing series but so worth the wait. Great job Jessie Lane. Can't wait for the next one.

Frustration is my main emotion at the end of this book. Lucas and Ginny's story has been broken up into 3 sections. The first book was all in the past when they were kids and grew up next to each other. This one, time line wise, is still a mixture of the past and coincides with some of the other books in the Ex-Ops series. Lucas finally gets off his depressed feeling sorry for himself cause he lost the girl horse and decides to find out the truth about who Ginny really is and decides to go after her. THE END – Hense my frustration.. That doesnt mean I havent enjoyed the books and I really want Lucas and Ginny to get their HEA.. So the next book (the last of the 3 serial books about their story) should ROCK as everything is now out in the open and

Lucas has thrown the gauntlet down against her family in his bid to finally have and keep his woman.
