The Best of Nancy Drew Classic Collection Carolyn Keene

Nancy Drew, the classic mystery-solving heroine, returns in these special-issue omnibus editions. Each collection features three bestselling, classic Nancy Drew mysteries.

The Best of Nancy Drew Classic Collection Volume 1

#1 *The Secret of the Old Clock*: Nancy Drew's keen mind is tested when she searches for a missing will in this mystery that started them all.

#3 *The Bungalow Mystery*: When one of Nancy's closest friends suspects her guardians of trying to steal her inheritance, Nancy's search for clues leads her to an old, abandoned bungalow.

#43 *The Mystery of the 99 Steps*: Despite warnings from a stranger, Nancy sets out for France to search for a flight of 99 steps that may help solve the mystery of a weird dream and a possible case of blackmail.

Miriam says

i loved these three stories and totaly recommed them to some people who like me love mystreies w/ great dangers and adventure espically the 3rd one called mystery of the 99 step or the 2nd the bungalow mystery (bungalow is a little summer house mainly next to lakes) so if you like thi tye of book totaly check it out i really didn't say much because i kind of forgot them

Angela says

This is such a good book my mom read this when she was agir so it is cool how I am reading it now.

Nandita says

This book is awesome! i finished half of it in an hour! Carolyn Keen describes the climax so well, you get sucked in and you can't put it down! Try it guys its pretty good!

L.K. Hunsaker says

I didn't read Nancy Drew when I was younger. I can't remember whether I tried them at the time, although I think maybe I did after I read all of the Hardy Boys books I could find. Now I can see why I didn't. The writing of the HB mysteries is so much stronger (I just went back and checked). I found Keene's writing too elementary, too repetitive, and not horribly realistic. I only read the first story in this volume and I skimmed much of it, so maybe some of the others are better.

Rhiannon says

It's got the Secret of the Old Clock, the Bungalow Mystery, and the Mystery of the 99 Steps.

Astrid Lim says

Nancy Drew, what a classic. In the middle of fantasies and pararoms, a good old classic mystery books is really refreshing. I almost forgot how clever, witty, and brave Nancy was. And how cool her mysteries were! Of course, they're not as mysterious as Trio Detektif - or adventurous as Blyton's books, but I still love the classic touch. I do hope I can find the second volume of this collection. And probably, start to collect all of the books, too!

Ashwin says

I guess I'm too old for Nancy Drew now, which I used to lap up while I was in high school. Having nothing else to do during my vacation I read this book anyway.

The Secret Of The Old Clock is the first Nancy Drew mystery. Both this and The Bungalow Mystery are pretty amateurish. The Mystery Of The 99 Steps is somewhat more interesting.
