**+Anima 8** Natsumi Mukai

In an alternate-reality fantasy world there exist others that possess animal-like characteristics. These mysterious beings (+Anima) are shunned by 'normal' society. This story focuses on four of these special beings: Cooro, Husky, Senri and, Nana. They travel to not only find others like themselves, but to also gain acceptance in the world.

## **From Reader Review +Anima 8 for online ebook**

### **Kira says**

Major cliffhanger end. whOA. I'm hooked on this series. =P

---

### **Mariah h. says**

i dont yet own it(or #7)but have read it online and its really good. if u like the series u need to read it(read thanks to mangafox.com)

---

### **Lys Robison says**

Check out my thoughts on the book by reading them on my blog <http://lysbooklist.blogspot.com/p/ani...>

---

### **Bri says**

This book swept me away to this other wonderful world. The setting was brilliantly set. I could totally see it in my mind. But the characters were definitely my favorite part. They are all so colorful, interesting, exciting, and hilarious. The main character is just perfect. The plot moved fast enough that I couldn't stop reading lest I miss something, but the author still took the time to flesh out the details. The details are what really make or break a story.

### **Sarah Maddaford says**

In truth, I wasn't terribly surprised by the revelations about Husky's past. He acts too haughty not to be some kind of noble. I was shocked and disappointed with how his mother and father treated him. I guess I can understand from the point of view of their culture, but still I can't imagine disowning a son for being different. +Anima aren't monsters (some of them are bad people, but that's true of any group). The biggest problem I had was that Husky didn't reveal what happened to anyone. Maybe he was protecting his half-brother, but I still would have said something.

---

### **Sarah Carpenter says**

It was very interesting to learn about Husky's past, especially since he is my favorite character. I really love how the series is starting to pick up the pace, with each volume revealing more and more of the character's histories and who they are. All that's left now is Cooro! I'm desperate to find out how he became a +anima. Hopefully it is revealed in the next volume!

---

## **Aubrey Hansen says**

Good plot, but some references to a king's harem, and Husky is dressing up as a girl again...

---

## **Brianna says**

I love these books! They are so adorable and lovable. They are well-thought out and interesting and wonderful. Her characters all seem so real. They all have problems and really specific and personal histories that go back pretty far. Her characters aren't perfect, and she is able to make them come to life and feel like real human beings.

I love the idea behind this manga. I love the idea of being able to transform into an animal and have cool powers and be special. (I wish I could do it. That would be so cool!)

My best friends gave these to me to read. They were the first manga I ever read in my entire life and I didn't get it at first. They had the books and I tried reading it, but I couldn't figure out how to read it backwards, and so the first book they read it out loud to me <3 Aren't they sweet? Anyways, I decided that I wanted to continue reading them online, and I was just planning to just look at +Anima a little bit and I ended up reading like the first 7 books in two days (It would've been sooner except I had school and sleep and whatnot, stupid distractions!)

Senri is my favorite!! He is so adorable! I definitely recommend these books to those who love mangas, and to those who love animals, and to those who love interesting stories. This is a very good series with wonderful writing and amazing art!

## **Smslward monk says**

I learn was their were new anima people!!

---

## **Rici says**

Wenn man bedenkt, dass es in diesem Band um Husky geht, hätte ich mir auch Husky auf dem Cover gewünscht. Wir erfahren, wer seine Eltern sind! Das führt zu vielen Problemen, und dazu gibt es eine kleine Rebellion gegen den König! Weiterhin hätte ich mir wirklich gewünscht, dass die Frau, die für die Verwandlung von Husky zum +Anima verantwortlich war, vor Gericht gezogen wird. Aber man kann ja nicht alles haben... Man hat subtil gesehen was für ein Trauma Husky eigentlich hat.

---

## **Rena says**

That would be the back-story to how Husky became a +anima. Every single one of these back-stories are just so tragic. I really feel sorry for these kids, but they seem to be happy and accept who they are now. Husky was a prince for crying out loud, but he walked away (well, technically he swam away). Maybe these kids

can free the +anima from being slaves in a better manner than Katana seems to be using.

---

## **Christina says**

Only knowing that Husky was taken as slave by the King of Sailand, Cooro and the gang devise a plan to break into the castle and take Husky back! But it turns out Husky already had his plan set out from the moment he was sold to the King-- and he doesn't want to go back! Husky is actually a Prince of Sailand who was thought to have drowned himself a year ago. Husky wishes to find his mother somewhere in the castle and speak with her one last time to tell her that he's alive and healthy and he wants her to be safe and careful of her rival Queens. Also, is Crystala more than just a wealthy peddler... but rather, royalty?!

My reviews are getting really bad. They are so short and poorly written now. It must be all these damn essays my teachers have been assigning me. They're tiring me out, mang! \*Sigh\*. Anyway, I was a bit distracted while reading this volume, however, I did quite enjoy it. I was surprised at what Husky's mother did at first, and even though she made up for it I still don't like her as much now. She's still kind of cold. But that makes sense, her and Husky are very similar in that sense. Perhaps the only reason Husky still has a warm heart is because he is still a child. How sad is that? I think that Marein would have been a good mother, but, oh well. C'est la vie.

---

## **Mike says**

"J-just don't do anything crazy!"

"At times like this, I ONLY do crazy things."

I adore Cooro.

Quick thoughts: My favorite volume yet. It's is entirely devoted to concluding the story started in volume 7 about Husky's homeland and past, and there's a ton going on. Several twists and numerous characters with different motivations and opposing goals and ideologies, and yet it's all very easy to follow. The characterizations in this series are excellent, and Cooro in particular is just pitch perfect.
