Fallen Angel

Evelyn Glass

Fallen Angel Evelyn Glass

Joseph Ryan made a promise to his brother of ink and steel.

Joseph Ryan never knew what family meant until he joined the Steel Jockeys MC. It was there that he met Kyle Clarke, there that he found a brother in all but name for the next ten years.

Until one fateful day when he's forced to watch as Kyle is ruthlessly gunned down in a hailstorm of bullets. With his last dying breath, Kyle makes Joseph promise to keep his sister Ruby out of their violent world, no matter what.

Ruby Clarke has lost everything to the inked brotherhood known as the Steel Jockeys

Having lost her parents when she was just a little girl, Ruby only had her brother Kyle to look after her.

Now, he's gone too and she's beside herself with grief, with only Joseph to share her pain with.

Joseph will break the promise he's made in order to keep it

Joseph is determined to honor his fallen brother's wishes, but when an unexpected kiss from Ruby leads him into her bed, he isn't sure what to think anymore. He promised Kyle to keep Ruby away from the Steel Jockeys, but how can he do that when all she wants is to be a part of his life?

From bestselling author Evelyn Glass comes another heart-racing series of love, betrayal, and broken promises.

EXCERPT

He leaned in. She bristled, knew she should pull away, shriek, or throw a pillow at him at the very least. Show him that she'd only been performing. Like a ballerina in a music box, dancing on cue simply to save her skin. That she had had no other intention, no other desire for young Joseph Ryan, and that he must be not only presumptuous but insane to think otherwise.

Instead, she kissed him back.

The way his full lips felt was unexpected, confident but also curious as they probed hers, slowly, exploratory, not in any way aggressive or forceful. He was giving her an out, she realized. In case she didn't want this. In case she'd made a mistake. But she darted her tongue deeper, to taste more, and she felt his body shift and respond, as if he were surprised at the enthusiasm of her kiss.

From Reader Review Fallen Angel for online ebook

Shellie Johnson says

First off, this is a serial series which is suppose to be 3 books long. It was a little weird at first to figure out what was going one since it went from person to person without really getting details. Needs an editor but nothing to awful. I will read the next book in this serial to see where it leads to...

Karen Bullock says

This was a miss for me honestly. The story seemed to drag too much in some places, as a reader I couldn't get a hold onto the type of person Joe was supposed to be and Ruby was a mishmash of ups and downs and it just didn't work.

Peppermaud says

Hmm...

Helen says

Wonderfully written storyline that is very involved with lots of different characters and divisions. Ruby's brother is killed and Joseph vows to keep her safe for her brother. I really enjoy MC stories, especially when they have a great storyline. This was one.

Frances Demartinez says

Electrified ing

I know you will love reading this story. When you start reading you won't stop until you finish the book.

A??ela W. says

Review Coming

Laurie Gyd says

Good start to series

Really enjoyed Ruby and Joes story so far, it will continue into next book "The Devil's Offer". They are both fighting their attraction to each other.

The BookChick says

Not a bad story. I felt like something was missing that would have made it...more. It also could stand with a thorough edit. For a little more than 100 pages there were a noticeable amount of grammatical issues.

Courtney says

Confusing to follow...story line has potential
