Rachel Nicole Wagner says

SWEET

Oh my goodness :) this book is perfect for every little baseball fan. I decided to read it since its playoffs and I'm rooting for my favorite teams. I think every little boy or girl who loves baseball need to read this sweet, nostalgic book!

Xo,
Rach

Miss Sarah says

A boy and his father attend a baseball game taking the reader through the action and then the goodbye routine. short and sweet but very informative. toddler and up

Willy George says

This has been my favorite book that I have read to the boys so far. They even have parts of it memorized and read it with me.

Rosa Cline says

Very cute basic story about a little boy and his daddy going to a ballgame at the ballpark. Explains the game of baseball in a very basic way for little fans.

Michele Clifford says

Great read aloud

Luisa Knight says

A quick baseball game to read to your fan before bed.

Ages: 4 - 8

**Like my reviews? I also have hundreds of detailed reports that I offer too. These reports give a complete break-down of everything in the book, so you'll know just how clean it is or isn't. I also have Clean Guides (downloadable PDFs) which enable you to clean up your book before reading it! Visit my website: The Book Radar.

Hannah Notess says

If you're reading this book for the 400,000th time I suggest mixing it up by singing the words to the tune of "The Erie Canal."

Keith Wheeler says

A fun, light-hearted story about a boys experience at a baseball game

This is A fun, light-hearted story about a boys experience at a baseball game. With a rhyming pattern that young children connect with, this is a great bedtime story for young baseball fans.

Kris Dersch says

Frustrating to read aloud since it inexplicably changes rhyme scheme halfway through from more of a singsong rhyme to the Goodnight Moon style. But still, the pictures are awesome and it's a must have for any under 6 baseball fan.

Goodnight Baseball

Author: Michael Dahl

Illustrator: Christina Forshay

Publisher: Capstone Young Readers

ISBN-9781623700003

A handsome young boy holds his father's hand while entering Rockets Park, the big stadium outside of town. He is completely enthralled with the sights and sounds around him. Upon the field, the Rockets and the Stars play a game of ball while father and son chow down some hot dogs and soda. Typical baseball fare, but though the eyes of a child, it holds much more significance.

If read with a soft, tender voice, Goodnight Baseball is a wonderful bedtime story. Read it with some pep and vigor, and you've got yourself an exciting reminder of what going to a baseball game is really like. Goodnight Baseball is a great way for children and parents and even grandparents to reminisce about the excitement of America's favorite pastime.

Illustrator, Christina Forshay, has done an amazing job of capturing the innocence of a child's mind with her splendid graphics. How a child looks back at the field upon exiting the stadium, how they treasure the memorabilia picked up at the gift shops, or the fly ball they caught up in the stands.

Author, Michael Dahl, is an award winning writer who has written over 100 books spanning from child to young adult. Dahl does a fair share of public speaking and shares his home with a ghost named Helen. No joke! Check out his website <http://www.michaeldahlwrites.com/about>....

Jeanne says

Sports but 2 yr old loves this book!

He a sports nut--at 2 yrs old. Anything with a ball yet i was surprised he really loves this book. The pix are lifelike as opposed to cartoon so I thought he'd be bored. Not

Susan S.C.C.L. says

This book was a home run for me! A perfect rhyming bedtime story for baseball fans of any age.

Heather-McC says

Father and son celebrate America's favorite pastime.

Lacie Taylor says

Loved this book! A great bedtime story!

Ethan says

I've been to a few MLB games and I can verify that this book is pretty accurate to reality.
