One Wicked Night Heather Boyd
An alternate cover for this ASIN can be found here.

For one wicked night...

Benedict Abernathy, an untitled but wealthy gentleman visiting London, is heartily sick of his celibate existence. Determined to leave his shattered heart behind and move on with his life, he accepts an invitation for a night of debauchery in the arms of London's infamous courtesan, Lottie Townsend.

...she will indulge his every desire.

Lady Charlotte Goodchild has fallen far from privilege and longs for one night of pleasure with the man she loves. But Benedict must be spared the truth of her ruin at all costs. Posing as Lottie Townsend, a notoriously discriminating courtesan and old friend, she disguises her identity and invites Benedict to share the night of passion that fate denied them.

A sizzling regency romance short story.

kattie says

A wonderful story

I liked this story, it was very interesting, the love of a man and woman who was able to find each other after a very Hardship situation for the woman. I recommend this book. Kattie.

Kouk says

This is the second book i have read from Noble publishing and this one is just as wonderfull as the previous one i have read.

Their books are sizzling!

Benedict Abernathy is honored when he gets to spend one night with the famous courtesan Lottie Townsend to leave his shattered heart.

Not knowing that the woman he loves so much, but left him without a word, Lady Charlotte Goodchild poses as the infamous Lottie to have one night with her beloved Benedict!

I really loved this book!

The characters were great!

It was a sizzling read, i just wished it were longer!

Cathiecaffey says

This is a first ebook from Noble Romance, ONE WICKED NIGHT by Heather Boyd. Not only a sensual and romantic erotic historical romance, but so emotional. Took me by surprise in so much that happened between Benedict Abernathy and Lady Charlotte Goodchild. Lady Charlotte is under a disguise so that she can hide herself as Lottie, a famous courtesan, so that she could have one last night with Benedict. Both have loved before, but Lady Charlotte's ruin and Benedict's trying to give himself some joy without the fear of being harmed. So with both the h/h in an deep love for one another, are so far apart even tho they are together this night. Gosh, it was so beautiful to read and feel the emotions going through both of them and wanting them to be together. This author Heather Boyd so gives it all with their revealing tale in a short story, but so worth it!. I'm so looking forward to her next erotic historical romance!

vaneeta naik says

good

Savina says

such a short story ! the buch was very nice to read with secrets and with a really good plot

EuroHackie says

As one might surmise from the cover of this short story, this is supposed to be an erotic romance story - it even says so, right there on the left! Knowing full well how dangerous self-published porn could potentially be, I decided I'd give this one a shot after reading the little excerpt and finding a very interesting setup.

The story is very much what it says on the tin - Benedict has decided to throw off the confines of his self-imposed celibacy in the wake of his fiancee-to-be mysteriously deserting him, and he's garnered an invitation from one of the most sought-after courtesans in the city. They have their one night of passion and part ways, though each of them is quite sad about it. Benedict wants to extend his one-night liaison, and Charlotte (said missing fiancee) mourns the loss of her love as she prepares to head to a housekeeping position in Wales.

There is a resolution to the plot, and a HEA, as Benedict discovers who Lottie really is (by an interesting happenstance - his sister randomly spotting her on the street), and his mother encourages him to go after her even though she has a strong suspicion about what her son was doing the night before his sister's wedding. He does go after her and they are reunited and all is well. It's really quite sweet, for erotica.

That being said, I wouldn't really classify this as an erotic story. There's a lot of sex, yes, but it's pretty conventional - the wildest they get is her waking up to find herself tied to the bedframe, and when she has a panic attack about it (flashing back to the rape at the hands of her cousin, which is the reason she fled her home and the love of her life in the first place), he immediately lets her go and is very contrite. They have such a deep emotional connection that I'm a little surprised he didn't figure out for himself that he was sleeping with Charlotte.

The prose is a bit on the purple side, but all in all this was a pleasant surprise of a read.

Iza says

Sweet and steamy, another discovery thanks to a freebie :)

Thom Swennes says

Charlotte (Lottie) Townsend is a London courtesan of the highest quality. Her expensive favors are distributed by invitation only. She is admired for more than just her exceptional good looks and manners, but also for the strict confidentiality she keeps with her numerous clients. A rendezvous with Lottie is an evening with an impure goddess of the night. The facts that she excels in her chosen profession and actually enjoys the act, makes her special. She is frequented by numerous Earls, Dukes, and Viscounts; her guest tonight

expels all of the others from her mind. This evening, however, holds special meaning for Lottie. She spent the last few weeks thinking about and planning what she hoped would be unforgettable. Benedict Abernathy is a blast from her past when Lottie Townsend was universally known as just Charlotte Townsend. Along with this revelation, deep dark secrets begin to ebb their way out of the hitherto safely locked closet. Will they destroy her and rob her of the one person that could her happiness?

This historical romance is set in the year 1814 when Europe is still in the grip of war. It is a time of manners and modesty, at least where the higher society called home. The sight of a bare ankle or a hint of swelling breast is cause for shame and scandal. Nestled in this amount of modesty, the story goes far beyond the genteel parameters of society and serves the reader a meal of hedonistic pleasure.

Although it is only a short novella, the author has taken pains to create vibrant and realistic characters. This is an erotic story with a storyline worth reading. The only criticism I can voice is the brevity of the story. I would have loved to have seen it extend for longer than just one night.

Debra says

Lady you know how to write a short story love it

What can I say this was the best short story I have read up to date. I'm hooked and you will definitely be seeing more of my reviews. Can't wait to see what other goodies you have on your bookshelf. I wish you continue success and readers you will not be disappointed. DH from New York City

Shanan says

Quick read which shows us Benedict Abernathy's story, who I first saw in Chills. There was more story here that could have been written rather than just touched on but the author chose to just focus on and isolate climax of this couples' story.

??Charlotte?? says

3.75 Seductive Stars!

Sally Hannoush says

A short fun steamy read. I look forward to reading more of Heather Boyd's books.

A.M. says

[okay then... the super in demand courtesan is Lottie, when his missing lady love is named Charlotte. She presumably kisses like his Charlotte, has the same eyes nose mouth etc, grabs his dick like his Charlotte, smells like his Charlotte [he does n

Jerrica Knight-catania says

I stayed up until the wee hours of the morning reading this novella. Loved it! I didn't think it was possibly to get attached to characters in such a short amount of time, but I did. Wonderful story! Looking forward to more from Ms. Boyd!

Iris says

This story has all the makings for a great 5-star book, but it was just too short and too rushed. It would have read a lot better as a full-length book. At the very least some resolution to what drove the characters apart in the first place. Otherwise, it was a good and enjoyable story.
