### **?Brittany? says**

Who can resist a fox as Robin Hood? I know I can't!

---

### **Lauren says**

Cute book for young children!

---

### **Kenneth Flores says**

Loved it!

---

### **Sean says**

classic-loved it

---

### **Brandi says**

A quick, cute little read with beautiful pictures and follows the movie quite well.

---

### **Donna says**

These are great memory stars. I loved this book as a kid and have shared it with my own. Just a fun story with pleasant artwork.

---

### **Tyrone Hardy says**

This classic Walt Disney tale is fantastic for students of all ages. This book shows how helping others benefits everyone. Students in pre-k to 2nd grade will love the pictures and the exciting and dashing story of Robin Hood. This book is a little long, and should be read over the course of a couple days. Children will love it, and the story ends HAPPILY EVER AFTER.

### **Lady Belinda says**

This is my favorite Disney movie! I really love the story of Robin Hood and especially loved that he is played by a fox (my favorite animal). My favorite parts are when Robin and Little John dress as gypsies to rob Prince John and any of the interactions between Prince John and Sir Hiss. I can't say enough things about this story...I just love it!

### **Donna Bausch says**

This is a great book to teach kids that everyone benefits from helping others just like Robin Hood helped to save the kingdom.

---

### **Shirley Revill says**

A wonderful classic story for children. Well loved by my children.

---

### **Tara Calaby says**

This is based on my very favourite Disney film... and fox!Robin was one of my major crushes as a small child. Add in Astro Boy, and you can see why my mother worried a little about my grip on reality.

This book could've been absolutely awful and I still would have loved it, because it was Robin Hood.

### **Jade Wilson says**

This book is very similar to the Disney movie Robin Hood. The story is about Robin Hood, a fox who is helps save a kingdom. Robin Hood meets a maiden who is also a fox and travels with Friar Tuck, a bear, together they help out the king. This story could be used in the classroom to give students the historical perspective of kingdoms and tyrants.

**Mathanee Sanguan says**

I want to read

---

**Christina says**

This was great. I loved it. Makes me feel like i'm still in tune with my younger self. Disney is fabulous.

---

**Mikana says**

A children's classic worth sharing with your young ones.
