### **Kathy says**

While the first book in this series fell a little flat for me this one did not disappoint. I loved Waltzing on Wheels. When I was finished with the book I had to do a google search for Wheelchair Dancing and watch a couple videos. It was as amazing as reading about it made it seem.

It was fun to watch Meredith & Kyler's relationship unfold. Both had overcome much in their life and were truly admirable characters who deserved the happily ever after they got!

Rating: 5 Stars - I loved it!

Content: squeaky clean

Source: Review copy from publisher in exchange for an honest review.

### **Marybeth says**

Waltzing on Wheels by Raine Gillespie is the second novella in the Love Notes series. It starts off where the first book leaves off. Meredith Aaron is very excited that her brother is getting married to her childhood best friend. The one thing that she wants to give to her brother as a wedding gift is a waltz at his wedding (since their mother is dead). The only challenge is Meredith is confined to a wheelchair. She engages the help of Kyler the local dance studio owner/instructor. As they dance together the chemistry grows. But will Kyler's past get in the way of a possible future together?

I actually liked this story better than the first book. I don't know if it was because most of the characters had already been introduced in the first one or the compelling scenario of not being defined by your past or your limitations. That you can overcome so much if you work hard and have a desire for you. Also that beauty and love are more than skin deep.

The flow and pace of the book were good and I found myself flipping pages not wanting to put it down. I look forward to more from this author.

I give this book 5 out of 5.

I was given a copy of the book in exchange for an honest review.

### **Cathy says**

This book was super cute. I loved the spunky Meredith. I loved how there was no way she was going to let

her brother, Timothy, tell her that she couldn't dance at his wedding. I love the way that she learns to dance in her wheelchair, she really is an amazing character! I also liked Kyler. What I really thought was fun was that Meredith knew Kyler, she just didn't know that she did. I love the way that he's able to see past her need for a wheelchair to the girl underneath. Such a great book, I can't wait to read more in this series!

---

### **Kathy Jo says**

SO cute! I loved Waltzing on Wheels! I was kinda hesitant at first because book 1 was just okay for me. But I read a couple of reviews and thought what the heck! I'll give it a try! And I was not disappointed! This book just grabbed me and I could not put it down! :)

### **Alisa says**

Meredith always loved to dance but after an accident that broke her back she is confined to a wheelchair. But she is determined to waltz at her brother's wedding. So she approached the handsome owner of the dance studio and made him an offer he couldn't refuse to teach her how to dance in her wheelchair.

Kyler Owens has had a rough life, but dancing was his salvation and now he runs his own studio in Dolce, Montana. Once upon a time he was a scrawny, awkward foster boy who was known as Kevin O'Bannion and was dance partners with the kind, popular Meredith Aaron. He is surprised to receive a business proposition from Meredith; it's definitely an offer he can't refuse.

Cute story - I enjoyed watching the friendship develop between Kyler and Meredith. I also enjoyed learning more about wheelchair dancing - I didn't even know such a thing existed!

Content: Very clean

### **Tifferz says**

I was thrilled that Ms. Gillespie wrote Meredith's story as I wanted to see her get a happy ever after. We start off with Meredith wanting to dance with Tim at his upcoming wedding. They have no family left. But Tim does not think that will happen. Meredith being a strong willed and determined says she will dance with him at his wedding. She ends up making a deal with Kyler to make this happen. From the beginning she feels a connection with Kyler. It only increases as they spend time together dancing and getting to know each other. Meredith helps Elahna plan the wedding. We saw Tim and Elahna get married in this story and that was one of the my favorite parts is when Caleb falls in the pool, I was cracking up. I also found pleasure when Kyler and Meredith waltzed at the wedding and seeing the shock on Tim's face. Then Tim and Meredith shared that special dance. It was great. I also loved the ending to this sweet story. The exhibition was a perfect performance. I thought it was great that during Kyler and Meredith's dance they had to improvise and it was creative. I absolutely loved Meredith's final solo dance that they ending up throwing in at the last minute due to an injury. This was a great read!

Just FYI- This story had no swearing or sex!

### **Leslie aka StoreyBook Reviews says**

I liked this much better than the first book about Timothy and Elahna. Shoot this book had me tearing up at the end! In this novella we get to see Meredith's story and there is very little overlap with the first novella. I did find it interesting that Meredith was very accepting and forgiving with another character when she finds out his true identity. But maybe because of everything she has gone through then it wasn't as bad as it could have been?

Another sweet and clean romance novella!

### **KyBunnies says**

Originally posted at Bunny's Review

Meredith may think she has lost everything but that was wrong, she gained more after her accident that she ever thought. Meredith shows that no matter what disability we can always achieve our dreams.

Another great book for the teenager to show that we all have disabilities but it does not determine who we are.

The bunnies and I give this book carrots

### **Katie W says**

I enjoyed this one because sometimes characters seem a little too perfect and there was nothing perfect about these characters. Meredith is in a wheelchair and struggles with her broken dreams. She used to be a phenomenal dancer and would love to marry someday, but who would want her? Even though she has a lot to deal with, she is still a mostly positive person. I love the way she is about to latch on to an idea and take off with it. That determination is what really helps her deal with her situation. She is also kind, even in the midst of a self-pity moment or two.

She wants to dance with her brother at his wedding more than anything, but it feels hopeless. Until Kyler comes up with the perfect solution. Kyler hasn't had an easy life, either, yet he is motivated to push forward and make the best of what he has. He is devoted to making this dance happen and the motivation that Meredith offers him doesn't hurt.

I loved watching things gradually unfold and the story left me rooting for the characters and really gave me hope.

Content: Clean!!

Waltzing On Wheels by Raine Gillespie (book 2 in the Love Notes series)

Meredith Aaron lost all hope for love And a Family after a horrendous car accident put her in a wheelchair.

After her brother Gets engaged to her Childhood friend Elahna, Meredith is determined to dance for him and with him at his wedding, Strong willed she is she decides to somehow learn how to dance on the only legs she has left—her wheels. Enter heart throb Kyler Meredith's now Dance partner who she has a connection to from the get go, Kyler comes up with the perfect solution. his life hasn't been easy either, yet he is motivated, passionate, to push forward and make the best of what he has. He is very much devoted to making this dance happen. the motivation that Meredith offers him doesn't hurt.

But don't be fooled by this charming heart throb as he has some secrets of his own,

In this the second book of the series i thought there was allot more oomph and it didn't fall flat, i fell in love with Meredith her determination not to let anything get in her way. And Kyler phwoar i could use me a man like that Heart throb and a gentleman who doesn't see the disability he sees the person inside.

I loved watching things gradually unfold the story left me cheering for the characters,

Much better job done on this book well done i new Raine Gillespie had more to give us and so much better i definitely connected with these characters,

This book is clean and a contemporary romance for most all to read,

4 out of 5 Fangs

### **Shauna says**

I TOTALLY ADORE this book!

Meredith's brother, Tim and her best childhood friend, Elahna are getting married and Meredith couldn't be more happy.

As Tim's only living family Meredith wants more than anything to dance with him at his wedding.

But how can she when she was hurt in a car accident and now sits in a wheelchair?

Bravery, determination, and a stubborn will causes Meredith to seek out the help of the local dance instructor, Kyler Owens.

Kyler is hesitant...He has never seen someone in a wheelchair dance and doesn't even know if it is possible.

But Meredith has promised him the deed to his studio in exchange for teaching her.

Is it possible?

And what about the secrets from his past?

Can he fulfill not only Meredith's dreams, but his own as well?

This book will blow you away!

SO INCREDIBLY AMAZING!

Beyond words!

---

### **Aimee (Getting Your Read On) says**

I enjoyed this book so much more than the first one by this author! We meet Meredith in the first book but this book is her time to shine. And shine she does. Meredith is a determined, feisty girl with such a positive attitude and a kind heart. I just couldn't help but love her. The romance developed gently and was so endearing. I loved it.

Part of the Sweet & Clean Romance Collection- Love Notes series, book 2.

Content- Clean! No swearing or sexual situations

---

### **Brigitte says**

This book is about a young woman who is learning how to cope with her life as a paraplegic. Before her accident that broke her back, she was a dancer & was well known for her gift. The other lead character in this

book also has the challenge of trying to figure out how he is going to continue on with his dream of having a dance studio. I liked how the author let the characters grow and explore ideas that they had never thought of to fulfill their dreams. I look forward to reading more books by this author.
