### **Melissa says**

I'm very intrigued by this. Basically, Nanami has gone back in time to save Tomoe's life, but Mikage has warned her not to change the past because Tomoe's love for Yukiji is what ultimately brings him to the Mikage shrine. When, Nanami gets there, she finds that Yukiji hates yokai and has no intention on saving Tomoe. This is confusing to me because in the past, Yukiji does save him and that's how they fall in love. So far as I can tell, Nanami has done nothing to alter the past, so how is this Yukiji different? Is it possible that Nanami is actually the Yukiji that Tomoe knows? I'm very interested to see how this plays out in the next volume! I love a story that keeps me guessing!

---

### **Abby says**

I managed to miss putting this one on my shelf when I first read it, so I had to read it again to make sure I remembered everything. I liked how the secondary characters were getting pulled in to this one (like Mizuki), though I've never been a good Mikage fan. I think it's great to see Tomoe and Nanami's relationship growing, though I wish there were more moments with them interacting again.

---

### **Mary says**

[Nanami realizing she's met Yonomori (hide spoiler)]

---

### **Priscilla says**

I love it!!!!!!!!!!!!!!!!!!!!

This makes me remember the story of the little mermaid. Poor nanami she was the one who saved Tomoe not Yukiji. She deserves to have him. I can't wait for the next volume!!!

---

### **jaslyn says**

oh gosh oh gosh the time travel art NOW'S THE TIME TO PANIC !!!!

yukiji is kind of a jerk sometimes but I can understand why (and!! also!! nanami and injured!tomoe?? my heart exploded)

---

### **Luna says**

Overall 4 Stars, presently read the first 20 books.  
See: <https://www.goodreads.com/review/show...>

---

### **Patricia says**

[It seems the girl, Yukiji, that Tomoe was in love with, is actually Nanami. (hide spoiler)]

---

### **Leigh says**

This volume is in OVA 2, i think. But the anime cut some scenes which the team probably thought are unnecessary.

Look at Tomoe's face... so freakingly handsome yaiksss!!

---

### **Addy says**

This series is so underrated!!

---

### **Mary says**

No spoilers.

NO MORE LIGHT AND FLUFFY. BLOOD AND FEUDAL JAPAN AND EVIL YOKAI. This is a shoujo series worthy of reading. This has PLOT, COMPLEX CHARACTERS, and PAIRINGS I AM INVESTED IN. And the anime just HINTED at Tomoe and his past. :(

THIS is what the anime never included. And reading this volume, I can't understand why they couldn't try-I mean, us fans would lend them money to do so, I HOPE-really because this would have made the series a SUCCESS. In the anime, you have our awesome heroine who slowly is bogged down with her FEELS.....and the manga shows her badass side, her devotion and charisma and who her shinshie truly is.

I cried, I felt my heart ache, I prayed for the characters safety!!!! This volume left me so torn. Not in a bad way. You see who Yukiji really is, and DEAR GOD that last page was OMG. How is Julietta Suzuki going to weave this plot, which has become such an intricate and brilliant thing? I am so excited to find out!

I am not including spoilers, but I will say that what you read will make you rethink everything you know. the

characters you have been following all presented such a side to them that I felt my heart break when I realized the gravity of the situation they were in, and the choice Nanami had to make, as well as her friends utter and complete faith in her. And their love for her. The things Nanami must do is enough to make me proud of her and deathly afraid for her. She is so strong, and driven but I fear for her. Some may think she is being "too angsty" in this volume. I can't believe you would think this. After what is going on, WHO WOULDN'T BE THINKING THOSE SAME THINGS!? She still kicks butt and is pushing through, so don't tell me you could do any better. I know I couldn't.

\*She is the friend I wish I could have, and the person I wish I could be.\*

You will meet characters that you thought you knew, but once you meet them, you discover they are NOT what you believed. I am so shocked, and in awe. I love this series. I wish everyone could read this. PLEASE do yourself a favor. My feels have engulfed me, and I must share them!!!!!!!

### **Eugenia Argerami says**

5 stars for the beautiful ending.

3 stars for a slow start to the book.

Average: 4 stars.

I love this arc so much I just can't even.

It was super unexpected that Nanami ran into Mizuki's kami-sama! I didn't get it at first because I had forgotten her name, but it was a cool little addition to the story.

Love love love Evil Tomoe. Just so beautiful and badass.

This story is so well done T\_T

---

### **Angela Evans says**

OHMYGOSH OHMYGOSH OHMYGOSH. This just took the most epically amazing and fabulous twist EVER. I'm so glad I finished my assignment earlier today and I can binge this story arc until it's finished! On to 15!

---

### **Kate says**

After waiting six months for this volume, the wait was worth it.

Nanami is such a delightful heroine who refuses to give up even if everyone around her tells her that there is nothing that she can do to stop the curse from taking Tomoe's life. We're jumping back to the past in this volume, and while Mikage warns Nanami that going into the past will change the present, I have to wonder if her time meddling has already been taken into account. It's going to be interesting to see where this goes.

Next volume in...only *four* months. So much better than six. (Though still not soon enough!)

---

### **Claire says**

Getting some Tomoe backstory. Everything is coming together. And still so many books to go...

---

### **Sarah says**

“She stole my heart in a flash”. Squeeee!!!! I am sooooo happy ??
