Diary of a Vixen

Chanel Jones

Diary of a Vixen Chanel Jones

Jasmine was a typical teen born in the Dominican Republic, whose life hadn't been so great. After leaving the only place she had ever called home, her life suddenly changed for the worse. Forced to live with a Father who wants no parts of her, physical abuse will soon show his disdain.

Jasmine eventually becomes homeless, living on the streets and left to fend for herself at the tender age of sixteen. Having nowhere else to go and no one in her corner, she finds herself in a group home where she quickly becomes the target.

Follow Jasmine's journey of heartache and drug addictions, as she looks for love in all the wrong places. All she ever wanted was a career, loyal friends and more than anything, love. Sometimes in life, even the most simplest of things are never easy to come by. For Jasmine, the trouble never seemed to end, and life for her had always been a downhill spiral.

Meet Jasmine Hertz, of Chanel's debut novel, Rap Star. When a journey has been nothing but one bad situation after another and you've never learned how to trust, you're left with no other choice, but to have a cold heart.....

Yvette Waite says

Very good read

Toya Merritt says

This book was good from the beginning to the end!!! Jasmine went through some things in her lifetime. The things people will do to get ahead in life! It's not always good to get involved with people because they have money! I hope that it will be a part 2!! Another job well done Chanel Jones!!

Nikki says

Good read I am needing part two

D Marie says

woo hoo!!!!!!fiyah!!!!

dria tay says

Ok

Ok

the way it ended sucked. but it was an okay book just needed more action and more to the story

Juanesia says

Chanel didn't live you with a shortage of action in this piece of work either. She let out some good if that's what you wanna call it and some of the ugly truth that comes along with the life of this vixen. Nicely done doll. Pick up her WERK! You won't regret it.

Jasmine says

Wow. Non-stop drama with this book like it kept my attention from start to finish! This book is definitely a must read!

Treasure Malian says

It was nice to get to know Jasmine's story! She really had a ton of tough breaks. I still don't know if I like her much lol we'll see in Rap Star 3! Good job tho Chanel J. This one kept me interested from the moment I started until I finished.

rachel baker says

Diary of a vixen

I choose this rating because this book really opened my eyes and showed me how a young girl can easily get taken down the wrong road, then herself around and then hit rock bottom. Great book.

Steph says

Great book I was mad how the book needs but it is more and I will be reading the next book got to find out what will happen in the music industry

Andrea Fowler says

Good read

The only thing I didn't like about this book, you could've let us know what happened to her mother. How she was doing if she ever talked to her mother again.

I was left unsatisfied

Tina says

Garbage

Garbage

Morehouse is a man college. this book was all over the place . one day dude looks 37 next time he young looking .everyone can't write out a well thought about book.

Donica James-edgerton says

Damn that was hella good. Poor Jas she had a rough ass life for real. Well I glad she got it together doe. The book was a page turner beginning to end. I can't wait to read part 2

Kitani says

All I can say is Jasmine is something else. Even after having her heart broken, being abused, and dealing with drugs she still managed to start doing the one thing her heart desired. I'm glad her dad finally saw how he had hurt her and decided to provide for her even though it took a while. Jasmine was faced with one bad situation after the other. I was impressed that she wanted to get her life together once she found out about Kira but became upset once she started back. Hopefully, she'll get it together once and for all and find someone she can actually give her heart to.

Shae says

Jaz had a hard life, her story was very ok interesting. However, this book had to many grammatical errors.
