**Elsa's Icy Magic & Anna's Act of Love (Disney Frozen)** Lisa Ann Marsoli

In Walt Disney Animation Studios' Frozen, the kingdom of Arendelle is trapped in a never-ending winter! Queen Elsa's icy powers have accidentally caused this terrible storm. Princess Elsa knows she must find her sister so they can return home and thaw the kingdom. This 2-in-1 book is told from both Anna and Elsa's perspectives. Follow along to find out if together the sisters can save their home.

## **From Reader Review Elsa's Icy Magic & Anna's Act of Love (Disney Frozen) for online ebook**

### **Ratri says**

I read the two in Indonesian version, so this review below delivered in bahasa Indonesia.

Elsa marah besar manakala mengetahui Anna bertunangan dengan Pangeran Hans. Dibekukannya seluruh kerajaan, bahkan Anna tak luput dari sihir beku itu. Anna bisa kembali normal bila mendapat tindakan cinta sejati. Apa yang dimaksud dengan tindakan cinta sejati ya? Dan siapa yang akan memberi tindakan tersebut?

Sihir beku Elsa benar-benar menimbulkan masalah. Kerajaan beku, Anna terkena semburan es, dan Elsa dipenjara. Bagaimana caranya keluar dari masalah?

Elsa frustrasi dan lengah. Saat itulah, Hans menghunuskan pedang ke arahnya. Pertolongan datang tepat waktu. Pertolongan yang tidak hanya menyelamatkan satu nyawa, tetapi juga mendatangkan hikmah bagi seorang Elsa.

My full review can find here <http://pustakasiwi.blogspot.com/2015/...>

### **Sarah Adamson says**

This is a 2 sided book - one side is the story of frozen from Anna's point of view and the other side is from Elsa's point of view. That makes it quite interesting but slightly repetitive when you choose the two books as the bedtime stories! Fun though and great pictures and choice of words.

---

### **Whole And says**

The double story format told from each sister's perspective is fantastic.

---

### **Jasmine says**

Artwork was cute and slightly unexpected, and of course, Z LOVED it... But you know... just not my favorite. I told myself that I wouldn't read these over-produced, based-off-of-TV/movie books aloud with her at bedtime, but I couldn't avoid this one. She literally cried the first two or three times that I refused.

---

### **ke-sha says**

It was like a really fast recap of what happened in the film from both of the girls both of views.

---

**Rosa Cline says**

This was a neat two in one book. One book was one side of the book and then you flip the book and the other half of the book is the other story. One story was told from one sisters view point and the other story says the same story but from the other sisters view point.

---

**Adam says**

Probably each of these separately would be 1 star, but they work together to make 2 stars.

---

**Jenni says**

I really like the way these two stories describe the perspectives and emotions of the characters in Frozen. My daughter loves it, and it's great to have two books in one!

---

**Holly Letson says**

I read this last month. And, while I have not yet seen this film, I did enjoy these 2 short stories. I especially like the art in these stories.

---

**Gretchen says**

Cute childrens book suitable for younger toddlers. The artwork is beautiful, and my favorite part of either story. The storyline is simplistic and lacks subtlety, but that's to be expected for the targeted age group. While it lacks the layered plotlines and rich character arcs of the source material, it's fine as a bedtime story for a young Frozen fanatic.

---

**Carolyn Borgen says**

I would rate this a 5 star because the story is great and the artwork, of what you can view, is amazing. However, the pictures were cut off and you couldn't view the story in its full format on the Kindle. I would recommend not purchasing this story until they have reformatted it so you can view all of the pictures. However, if your looking for a book to purchase in paper format or loan from the library it's a fun one to read.

## **Kristen says**

I didn't realize this was two books in one. When we got to the middle of the book, all of a sudden the pages were upside down! Haha. Flip it over and read the other story.

Both stories follow the Frozen storyline. Each one focuses on one of their stories. It's kind of fun to see the perspective of both sisters on the situations that occur. I think it's a unique idea for a kids book to show those different perspectives so that they can start learning early that everyone views things differently but it doesn't mean it's wrong.

The illustrations were abstract versions of the characters. My daughter was still able to tell who was who though, so that was impressive! Both stories were pretty short, so even though we read both, my daughter didn't get bored.

If you have a Frozen fan, you should pick this up.

---

## **Selena says**

Compared to A Sister More Like Me, this one fell flat. The artwork was static, and the stories was just a rehash of the climax of the movie. There wasn't any point in reading it.

Worse, they felt the need to SPELL OUT the reason for the titles, because apparently no one can figure out what the story was about unless they SPELL OUT the title in bold letters every time the phrase appeared. So they SPELLED OUT the title at least four times in each story. When the story's just summing up the "exciting bits" of the movie (and not very well, either), you don't really need to SPELL OUT the title on every page.

If you're gonna pick a Frozen picture book, I would advise it not be this one.
