Enraged beyond reason at his returned wife's death, Paul has set his sights not only back on Salem, but on his own daughter Alexis as well. Having little other choice than abandoning their home, Alex, Salem, and Hannah begin to flee to an unknown location.

After a drop of Alex's blood streaks down her beloved book from her foster mother, the pages transform into a long kept secret journal. Inside what at first seems to be little more than a diary of an ancient vampire slayer, the trio find more than just hunting techniques. Locked within its pages contains hope of a cure, and a promise of a normal life.

Will Alex be able to decipher the journal and reach salvation before her vampiric side becomes too hard to control? Can Hannah really be trusted after what she has done? And is Salem really ready to sacrifice all for a normal life?

## From Reader Review Sacrifice for online ebook

### **Susan says**

This is a perfectly apt title. Alex has gained a lot, but has also lost so much, and she can no longer cry. Will she give up even more for her true love, the vampire Salem?

### **Katosha Wilson says**

this series is a never ending roller coaster I am so excited to read the 4th book now

#### **Limited writing skills**

#### **Limited writing skills**

I gave it two stars out of respect of some good ideas--there are some good ideas/plot twists, but the limited grasp of vocabulary and dropping of ideas or facts that was started earlier in the story is irritating. The misspellings are horrendous. Several situations in the book are so unrealistic, that it is difficult to continue reading. 70% of the time, these books read like a somewhat talented, yet inexperienced sixteen year old wrote them...

To be fair, I am an adult reading a young adult book, so maybe my expectations are too high.....

**What would you sacrifice to be with the one you love?**

**How far would you go to save those you care about?**

**What if the one choice that could secure your happiness, could also doom the world?**

It's time to get your fangs - and daggers - out and get ready for the roller-coaster ride that is *Sacrifice*!

### **Amanda says**
