## When Mountains Meet Christine Odeph

Behind Ayira's façade of success is massive emotional pain. She employs a housemaid, Benta, with the hope of relief. Benta turns out to be Ayira's best friend and confidant. She too has a painful past.

## **From Reader Review When Mountains Meet for online ebook**

### **Mr. Musale says**

I loved Ayira's story. It was relatable and I found it to be consistent with the way things are these days. I was particularly intrigued by the way Ayira's and the other character's plight were captured by the author whose play with words is impressive. It's a nice short story that will provoke your emotions and be thinking as you enjoy a story.

### **Odiwuor says**

#### **Nice read ?**

Nice read ?

Great emphasis on local condition, vividly captured thus earning the book a sense of authenticity. Love the way the author plays with words.
