**Witch & Wizard: The Manga, Vol. 3** James Patterson , Jill Dembowski (With) , Svetlana Chmakova (Visual Art)

Although Whit and Wisty's magic and their control over it have matured, they still find themselves helpless to prevent The One Who Is The One from destroying everyone and everything they hold dear. But there's a reckoning on the horizon, and the siblings have no choice but to devise a strategy to topple with one decisive blow the tyrant who has devastated their world before he becomes truly all-powerful...

## **From Reader Review Witch & Wizard: The Manga, Vol. 3 for online ebook**

### **Lupe Dominguez says**

Ok do wow on that awesome ending! but now I think I am going to read the actual books because the Manga I think leaves out details that I wanna know. But it was an amazing story that I would like to come back to for sure.

---

### **SuperPuppyDOFUS says**

I can't believe the series is over. But it did end with one of the best endings ever. I loved how the ending played out and how the story was good throughout all of the books this series never seems to disappoint a reader. This was one of the first series I've read when I just started getting into reading and I'm happy it was.

---

### **R says**

Great last volume, although I wish there were more! I love the illustrations and story. This is much darker than the first two but still very well done.

---

### **Dj. says**

DFDFFDSERDzxgfcghgdxcgjhbmcxjcm

---

### **Roger Royer says**

While this is supposed to be the end of the series I found out that there's more books in it when it is very obvious that it is supposed to end here.

The art is still rather good and would be better if it was in color all the way to the end like the subseries. I still think that the characters are great and the story is amazing.

ilu eh

---

### **Jasmine says**

Just like the second volume, I had several unanswered questions in the third. how come Whitford was able to find Witsy again? what was that blood plague anyway? where did actually the one who is the one get all the

other 3 elements? oh and worst of all, I really don't understand why in the world The One might want to find Whitford and Witsy through Celia? If he knew who they were, why not just show up in their own house? If he didn't how come he figured out that Celia was near to them?

It might be all because of reading the manga, not the real book. there is just lots of stuff that they have to eventually leave out to fit the story.

It might be a good book for every teacher. about how misunderstanding a kid only because s/he is not like how everyone else, can lead to a disaster.

and I just loooooove graphic of this work.

---

### **Peter Barr says**

This is the third graphic novel in the series of 'Witch & Wizard'. The main characters, Whit and Wisty confront the main evil in this, the last in the series. In the previous stories, they have learned that they are witch and wizard and begun to learn to use the powers therein. This continues in the final book. The tale is brought to a conclusion in a book of excellent artwork and a good tale.

---

### **Karinya says**

Loved it was into it the whole time

---

### **Moon Silver says**

Upon the finish of this series, I decided I did enjoy this story and it was perfect.

A lot of darkness and evil and parts in which I felt uncomfortable thinking and looking at, but at the same time, a lot of courage and hope and beauty. So that evened up.

I would say it's pretty fantasy though. I can't imagine a teen 14 years old to survive all that. But it is a inspirational read, it makes readers want to be stronger.

I don't think I'll ever read the novels though. The story might get a lot darker and complicated with the word descriptions... And I don't need that.

I like the art and the adaptation of the ending(according to wiki, the novels have a slightly different plot?). Byron is still my favourite character.

I enjoyed reading Witch and Wizard, I hope that it gives courage to more people too.

March 27 update: I lied I actually love this series now and am reading them a second time after finishing a few days ago XD

P.s. I figured the last names "allgood" hinted that everything will be good in the end. Though I heard the novels seemed to have a more complex plot and a slightly sadder ending, not sure though.

**Galion Public Library Teens says**

A.J. liked "ALL OF IT!"

---

**Hao Dang says**

how do you read this book

---

**Victoria says**

ghhfghd

---

**Samantha says**

Pretty good ending. I would've loved to see how the city rebuilds itself and when things go back to normal. There a few negligible loose ties but it's fine.

---

**Kate Kid says**

It was a little confusing at first but once you got into it you were shocked to no end. And the ending, I was like, "WHY MUST YOU END YOU AMAZING STORY!?"

---

**Robin says**

LOve it!

---
