He's Dedicated to Roses, Vol. 10 Mi-Ri Hwang

Choi Ida is seemingly a plain girl who, due to unfortunate circumstances, is stuck as a maid for Shin Mimi. In order to relieve stress Ida leads a secret life as a handsome boy named Choi Yodah, renowned for his fighting skills. To make matters complicated drop-dead-gorgeous Gang Naru sweeps Ida off her feet.. but... is only interested in her as Yodah?!

Nooo Naru!! :(

Me ha gustado mucho que Ida por fin se haya rebelado contra la ***** de Mimi

It was an enjoyable read, but fell just below my benchmark for 3 stars is say solid 2.5.

What this story is lacking in quality, it makes up in entertainment value. Its very soap opera-ish. The continuous fluctuations in people dating one another, gossip, backstabbing, all out brawls all included this made it difficult to put down. Similar feeling to when you see an accident and you slow down to to watch as your passing by.
