Kit says

3.5 stars

skimmed most of it but I enjoyed the part where they were on the island

Leaoi says

so funny ~

Josephine (biblioseph) says

Series review

Awkward Yoshida is hated by all the girls in school for his perceived closeness with hot guy Sato, who uses hanging out with Yoshida as an excuse to turn them all down. If Yoshida is merely an excuse, why does Sato taunt him in private about “his favorite”? Is it possible Sato’s feelings run deeper than friendship? And what could he possibly see in the funny-looking Yoshida? Watch Yoshida’s life turn upside down with hilarious results!

According to wiktionary, this is on-point for yaoi: from Japanese ??? (yaoi), an acronym of **Y**ama nashi, **o**chi nashi, **i**mi nashi (????????????????), “no climax, no point, no meaning”.

I got sucked in and spent way too much time and money on this series of boys-love scenarios. Because that’s all it really is, a series of tropes strung together with a mean pretty boy and an “ugly” tough guy who is really short.

This series contains: badly proportioned hands and bodies (though I’ve seen much worse), mean girls, asshole love interest, non-consensual or dubiously-consensual sexual interactions, and a total disregard to boundaries or desires.

While it has its moments, there’s already enough explosive boys-love stories out there. We didn’t really need another. Me saying “it’s not as bad as others” isn’t saying much. I know it’s good that things are getting better but they’re still not good enough, and I can’t really believe I read nine volumes of this before I gave up.

Pages: 1,676

Year: 2012 to present

Publisher: SuBLime, an imprint of VIZ Media

Read: 10 October 2017 to 11 October 2017

Stars: 2.5 (curious enough, foolishly hopeful)

Jessica says

Valentine's Day chocolates (Yoshida, will you ever learn to not trust Sato's chocolates?) and then a visit to a deserted tropical island thanks to the scheming Tsuyako (I love her). The ending isn't exactly a cliffhanger, but it did leave me anticipating the next volume... not sure how much longer Sato will be willing to keep their relationship secret from their psycho female classmates.

charlotte rose says**Still going**

Buy all HIS FAVORITE at once so you can speed read the book it's just so good happy dance happy dance :)
5 STARS

Lyn Jensen says

I've read at least three manga since 12/2/16!

Nathaniel says

To me, the final chapter moves the plot forward, finally. Although I love the slice of life stories and the humor, the series desperately needed the main characters to progress in their relationship, which finally happened. Can't wait until the next one come out!

MaDoReader says

Más momentos amorosos pleaseeeeeeee, es un poquito rácana esta mangaka

Jake Hill says

I just got depressed because I couldn't give it 5 stars because I'd already given it 5 stars before I read it, just knowing it'd incredibly wonderful and wonderful! I NEED THE NEXT VOLUME!

Jasmine Rose says

For the most part, this series might as well be a 4-kouma, but things have finally started to get good here in volume 6. It's nice to see Yoshida finally admitting (if only to himself) how much he likes Sato. I melted a little at the beach scene towards the end.

Online Eccentric Librarian says

More reviews (and no fluff) on the blog <http://surrealtalvi.wordpress.com/>

6 volumes in, I'm still not quite sure why this works so well - and yet it does. Not much happens, it's rather silly, and the plot is more about little vignettes than an overall character building set of arcs. But every now and then it's nice to have some fun with manga and this fits the bill.

Yoshida and Sato are still in the same situation - surrounded by their weird friends, with Sato hounded by the aggressive girls and Yoshida constantly having to dodge them for having Sato's favor. In the first half of the volume, Valentine's Day has crept up and Sato dearly wants chocolates from Yoshida - with the latter too embarrassed to take on a girl's role. Will Sato get his chocolates? In the middle of the volume, Sato learns that Yoshida is scared of nearly everything - causing the smaller boy to faint and have to be carried home by Sato (much to the girls' dismay). So the girls hatch a plot to get Yoshida out of the way - which of course will backfire on them. In the last part of the book, the boys get tricked into spending their Summer vacation on a deserted island. But after the goofy guys go to sleep, Sato and Yoshida have time to cement their relationship.

The artwork is fairly consistent with Yoshida being every bit the goofy monkey and Sato the cool hottie. As well, Sato is still just as mean, playing horrible tricks on poor Yoshida all the while professing his love for him. Meanwhile, Akimoto and Makimura are as goofy as ever as they try so hard to get a girl interested in them - all the while being completely oblivious to Yoshida and Sato.

In all, a fun read and more than a little consummation of Sato and Yoshida's relationship. Received as an arc from the publisher.

Andres Halden says

This whole series is just adorable.

Miss says

sadly less cracktastic than previous volumes. i mean the kidnapped island vacation interlude probably qualifies but ehh. might be time for this series to start wrapping it up. 2 stars

TiramisuCram says

Love this!!!! Is so funny but also sweet!!!

Amber says

"I will draw his arousal!"
