Mudenstein is a good ol' boy monster truck who loves life in the arena! See his tall tires grab the dirt as he crushes cars and takes on a fire-breathing crane. Meet his buddy Billy Wrecks and the other demolition derby boys! Lively text and high-octane artwork make this a perfect book for preschoolers who love all things vehicular.

Mudenstein the monster truck rules the muddy arena with his giant, car-crushing tires. Love the illustrations of all the different trucks!

### **Miss Sarah says**

a must for any truck lover. A little longer than normal board book but a toddler will love the story told from the point of view of a monster truck about the races he attends.

### **Sara Gochowski says**

Car- and truck-obsessed little ones will ask for I'm a Monster Truck over and over again. Bob Staake's illustrations are fantastic - as per usual - and the story ends with a sleepy monster truck, which makes this a great read for before bedtime or a nap. I stumble over the name "Carcharodontosaurus" every time, so I recommend practicing before reading aloud the first time.
