Love Like Hallelujah Lutishia Lovely

Lutishia Lovely returns to the Kingdom Citizens and Mount Progressive congregations, with updates, and sometimes upsets, on the lascivious lives of some scandalous saints.

With infidelity behind them, Tai's marriage to her pastor husband, King, is stronger than ever. Even when King's ex-lover, Tootie, comes back to town, Tai keeps her cool. That is until she hears that Tootie has a teenage son no one knew existed—a son who could be King's. Tootie isn't talking, and when she finally does, can she be believed? Tai doesn't think so and enlists the help of her best friend Vivian to find out the truth. What they find out, however, is more than either of them ever wanted to know.

Vivian must also deal with her husband's former assistant, a woman who believes that if it wasn't for Vivian, she would have been first lady of Kingdom Citizen's Christian Center. Now she's back to claim what's hers. Millicent's back also, just in time for the marriage of Hope and Cy, the man she thought she'd be married to by now. But she's not the only church member whose dream becomes a nightmare. What happens when love feels more like harried hell instead of hallelujah? There's only one way to find out...

Screaming Hallelujah for LOVE! Book 2 of this Hallelujah series was excellent; some relationships were tested, some secrets revealed, and some New Love Connections and to God be the Glory. However, we all know when God is working for the good, satin is not far behind ready to kill, steal and destroy!

Miss Lovely you are keeping me on the edge of my seat with these Saints & Aints!

Very good book

Rebecca says

I loved this book. It was a great continuation from the first book. Drama continues to happen but works itself out in the end. Can't wait to read the next book. I would recommend this book.

???

Excellent follow up to Sex In The Sanctuary . I can't wait to read the next installment. I need to know what's going to happen with Stacy, Darius and Bo. I have so many questions!

Pearl says

This was very good. I was excited to see them continue the love story with Cy and Hope and then Millicent finds love at the end. What a pleasant ended. This too had a lot of characters to follow but it keeps the reading and flow of the book interesting. Hope's cousin is a hot mess!

Destiny Hawkins says

This was a good book. Good continuation of the story. Tai and King, Vivian and Derrick both have a great relationship with their spouses and with their friends. It is good to see couples like this. Things that came to mind when reading this book were: What's done in the dark will come to the light and sometimes your blessing can be right in your face and you don't even realize it. I recommend this book to anyone that likes

Christian fiction and also erotica. A good mix of sex and Christianity. I will definitely finish this series.

Lakeisha Rauls says

This book is full of revelations! It seems as if everybody has a secret that is revealed, and they all leave you breathless! The sequel to Sex in the Sanctuary does not disappoint, and I read it in one day. On to the next installment, A Preacher's Passion.

Victoria says

Book was unnecessarily long. I had to speed read through some parts just to get through

Brandi Armstead says

More than I expected

The book was a little all over the place, but by the end it all came together. There was a lot of scandal and a surprise ending!

Tanishia Pearson says

Just finished Love Like Hallelujah by Lutishia Lovely. I must say it was really good. I love her stories. In this one she really shows how some church folks can act especially when placed in compromising situations yet showing the power of faith and how it can help u weather any storm. Loved it! She highlights the lives of the Brooks', Montgomery's, Darius , Millicent and the Taylor's showing how they fight to preserve love from all angles. Don't let the title fool you. There is some Language included but the story isn't lost for it.

Desire'e Greene says

Book two of this series was phenomenal it shows you that sometimes you hear what you wanna hear and not what God has told you.
