### Hannah Heath says

Oh my gosh!!! This series just gets better and better. Such a sweet scene with Oz helping Gilbert out after the...incident. And Break is still such a badass. I love the character and plot development. It just keeps getting more and more layered.

Mochizuki really isn't giving us a break at all with this series. We keep hopping between one tragic event after another without a proper breather, but that's okay—it keeps the plot at a fast pace as it speeds towards the series' end. While this series has focused on the tragic events of Oz's life, the twenty-first book takes a deeper look at Rufus Barma, the one man whose recent actions have thrown poor Oz and Gil for a big loop.

My full review of PANDORA HEARTS volume 21 is now at my blog.

I LOVE Duke Barma's whole storyline here. Did not see it coming, but it fits him well and explains some of his weird behavior of late. (Well, most of his weird behavior is explained by the fact that he's weird, but the revelations of this book explain the behavior that made it look like he'd switched to the bad guys' side.)

### A. L. says

Well, it looks like Rufus Barma is trying to give Jack a run for his money on who can plan ahead the most. I mean, dang.

I have to admit, Barma grew on me quite a bit in this volume. His relationship with Sheryl is hilarious. And about his little speech on what he believes is "the most precious and beautiful thing in this world" ... well, it turns out even ol' "Ru-kun" can be sappy. As a side note, I loved Leo/Glen's expression during that scene; like: "is this guy for real??"

I also chortled a bit at how determined and passionate and completely ridiculous Barma looked when he exclaimed his desire to marry Sheryl.

Ah. More about motives. Barma (I never tire of typing that name; it's kinda fun!) gave GlenLeo a little... pep talk? Scolding? Eh, I don't know. But apparently Barma (and he's probably right) believes that GlenLeo's selfish desires are part of his actions. Anyway, kinda interesting.

It also appears that Vincent is still steadfast in his wish.

"My wish will never change...

That wish...is the only thing left in me."

-Vincent

Well, that's kinda cynical, dontcha think Vince?! It's probably not entirely true either. In his own way, he does seem to care for Ada as well.

But it's still... interesting.

(\*Most overused word in Abby's vocab besides maybe "yay") Good Gosh I'm so sick of using that word but it fits the best.

I also overuse the word "also."

I also \*cough\* want to take a moment to talk about Break. The focus seemed to be off of him for a bit (or maybe that was just me being more focused on other characters). Now, however, he has been pulled back into the story.

I just want to say a few things.

1: Holy cow, can that man fight!!! I can't believe he's blind. Now that is skill.

2: Break's protectiveness over Sharon is just... so freaking cute. Yet another enjoyable relationship this series has presented! (Even if I don't care for Sharon too much.)

And 3: I found Break's motivation and constant struggle to keep alive very... fascinating. (There! I found a good synonym for "interesting"! I'm so proud of myself.)

On the other hand... I totally forgot that in the beginning it had something with "Zwei" and Echo. Buuuuut I'm not really sure what the heck is going on with that. Maybe I missed something? Or it just hasn't been explained?

Is it a split personality? How does it work? Is Zwei some dead person or being who can possess Echo? Or is it really Zwei's body and Echo possess her (or him, idk)?

I mean. You know how Mochizuki is, so I wouldn't put it past her.

## Kate says

Break on a rampage. And, the power of love. Can this story wrench my heart any more than it already has? Probably.

## Corley Elizabeth says

This series will be the death of me, I am sure of it. There is SO MUCH going on, and there are so many feelings, and my heart cannot handle the sheer beauty that is **Pandora Hearts**. Mochizuki has crafted everything together in the most perfect way, and I'm falling harder and harder into the madness. One aspect I especially enjoyed about this volume was this new side of the enigmatic Rufus Barma, who I'm pretty sure I now love; his development was so impressive and interesting, and I just love how cunning he is! And Reim is now playing a bigger part once more, which I'm glad of - his interaction with Oz, Gilbert, and Alice was quite enjoyable, and as for our trio, I can't wait to see where their resolve takes them. What I enjoyed most, though, were the scenes revolving around Break, who is by far my favorite character; these moments were nerve racking and a bit heartbreaking, and I literally do not think I'm going to be able to handle much more.

So it's easy for me to say, without going into detail, that this volume was just breathtaking.

Awh! These characters are so sweet! They've grown and learned so much. It's beautiful to see how their relationships to each other have changed.

Uncle Oscar! I love you! Goodbye...

The stars of this volume : Reim, Break, Rufus Barma.

Reim - he is perfect, clever and kind)

Break- he is fantastic as always! I love him even more. And sometimes I forgot he is blind.

Rufus - I didn't expect you motivation to be love!

And about golden -trio: Alice, Oz, Gilbert.

The extra chapter about these trio being together once again warmed my heart :) Alice is so compassionate and her crying over the delicious food Gilbert won't be able to cook , were sweet^^, Oz left his suicidal character and helping Gilbert to dress... I hope they stay together))

Jajajaja el duque Barma es un loquillo. Al fin llegué a lo último que leí hace tres años, me quedan solo tres tomos y como no quiero que se acabe tan rápido lo dejaré para mañana. Está demasiado emocionante.

OMG! Duke Rufus Barma... I did not expect you to be like this. So funny! So this is your motivation!  
LMAO

And what a surprise to learn about his student years during this time of peril. :)

*~3rd Oct, 2016~*

So Barma is not exactly a traitor. Through some elaborate planning, Barma helps Break, Sharon, and Lady Sheryl defeat the Baskerville. Barma's reason... is hilarious! As hilarious as him being a student at the same school as Elliot(cries). So hilarious that it's like WTF. I feel like Vincent at that revelation. Barma's motive is so... simple.

It's great to see Reim again.

## Jera Em says

This was a really good volume. We finally get some details on Rufus Barma and Sheryl's relationship and it's pretty great. XD He's very patient it seems! It also seems confirmed Shelly was most important to Break, which is pretty interesting. Speaking of, this volume is tough for Break fans since we know where it's going....
