Loved Lil Monk...

Coca Doll says

The ending twist was good but the book in its self was hard to finish. I still have questions doe so if there is a fourth book I will read it.

I'm glad Chucky got killed I've been waiting on that ninja to die and get what was coming to him karma's a mother. But I do think that uh it'll be a part 4 I hope so because a lot of people have unfinished business. Plus I want to know what's going to happen since Face is out. Plus this book had so many surprises sh*t I didn't know Face was doing all that behind bars lol. And funny how I didn't remember who Chucky was until he said it I forgot that he was the kid in the car. I see why he don't like Porshia and Lil Muck sh*t I even wanted Porshia and Lill Muck together but guess that's not going to happen.

Monique says

Wow...I didn't see the end coming. The twists was out of this world. Great ending to a urban tale.

Deedee Henson says

He did this. Good read

Speechless I'm in Awe

What I like most is how everything unfolded, my mind is blown. There's no words to explain what I'm feeling or thinking! This series has taken me on more turns then any roller coaster could have and I'm completely satisfied and amazed. Persia survived it all in spite of every obstacle she faced. Chucky the monster got what he deserved. If you haven't read this series you need to start now! Happy Reading ?

This book was good, I didn't want to put it down, but sometimes I had to lol. Anywho I'm just glad Chucky finally got killed because he just kept getting on my last nerves with his drug addict self, and happy Rissa didn't die, hopefully, she gets herself together, and I wonder if Frankie and 'em gone kill her after she tells who killed that Italian dude. But only if she knew that Chucky and Charlie are dead lol. But also, I wonder if anyone gone find out who killed Petey, Hopefully not LOL I liked Omega kind of. Oh yeah my can't Porshia and Lil Monk be together I just want them together soooo bad. lol :(

Howard says

I need a part 4 lol, this book was good took me awhile because I had to read this after classes. But other this that this was definitely a good read. Mostly all the books I've read by K'wan was A1.

Latonya Moore says

That was awesome

That was the best series I've read in a long time. It had so many twists and turns i could never guess what was coming next. This is a must read

Erica says

I alot of twists and turns. I wish there was a part 4.

BEAUTIFUL MEEKA says

Fabulous series

This is what I'm talking about. A very good read. Didn't know who was who until it was revealed. Plot twist absolutely Happy ending absolutely Kwan did his thing and I'm not gonna ruin it with any spoilers. This was worth the wait and I must say will be added to my group of favorites

Dami says

Bro, do you know how happy I was when Chucky got killed I got hype for like 2.5 seconds. That dude was annoying crackhead. He was a fuckin fly on the wall seriously he wanted to ruin Persia so bad. But I wanted her to get with Lil Monk instead but her head was so far up Chucky Ass lmao. I do want to know what's going to happen since Face is out. This book was full of surprises. What surprised me more was Face doing all that behind bars lol. On the flip side I didn't know Chucky was the kid in the car that day Face got knocked. Like Chucky aka Killer Chucky (from the movie) this what I call him, anyway, he hold a grudge that long. Like there was no forgiveness for this fool. But karma got him good I couldn't help but laugh.

Between, I hope there's a part 4 because there are some unsolved things that went down in this book, plus Face needs to help his daughter get on the right track.

This book had so many surprises I'm glad certain people are dead. Me thinking Richard was Pharoah smh oh well, at least, I found out who he was, and everybody got their revenge lol. This book was good though I couldn't put it down even though I was always busy and couldn't read it when I wanted. But at least, I finally finish it, and I'm hoping for a part 4 I want it to be a part 4, so I can know what will Face, and Big Monk do.

Denise Gilliam says

Omg this book was off the damn hook from the start of the book. I loved the way K'wan set up this story the way he did because o never thought things would happen like they did in this book. One think I'm glad about Chucky got what that ass deserved. The ending of this book was just epic. K'wan is truly a beast with the pen. Great job K'wan great job.
