## Chad Riley says

Loved this book. Sad but good.

## Tanya Frolick says

I cried at the end of this one. It's so very hard to let go of characters you love.

## John says

I've been reading the Warlock series since I was just a kid. The first in the series Services The Warlock in Spite of Himself came out when I was 4 and was ready for me once I started making my own decisions about what to read. As a result, I grew up with Rod Gallowglass and his family as the series progressed, doing one of those wonderful things where the characters age and mature and don't stay frozen in amber.

This is the final book in the Warlock series and while I can't say it's my favorite in the series it's one of the best and really served to remind me of what I enjoyed most (and to nudge me to get my kids to start reading it).

Gwen has died, Rod is in denial and that leaves the children, all grown to adulthood, to deal with a kingdom that's once again under assault. Frankly, while there is some action this is mostly about the characters and how they have ended up as people. That might not be satisfying for everyone, but for me it was the perfect way to wrap up the series.

## Patty says

The final book in the "Warlock" and spin-off series, this book ends Rod's life and shows the children off in their new lives. Like all faerie tales, it truly does have a happy ending.

## Salome says

It was very long, very repetitive and very predictable. And all that you-are-my-truest-and-deepest-love,how-can-you-doubt talk almost made me sick. I love the rebellion part, though.

## Rhiannon says

This is the last book in the Warlock's Adventure. If you haven't read this series check it out. It's a wonderful world of magic and technology.

The series is great!!!

V angli?tine to bol záhul, vetné skladby, sloví?ka a celkovo... Ale dorazi? som to musel.

A koniec to bol parádny. Gwendolyn umiera a tým povoláva Magnusa domov.

Mladá generácia je už dospelá a stavia sa na vlastné nohy. Chlapci sa stali mužmi a oženili sa, Cordelia si vzala princátka. Magnus sa vrátil so svojou spolubojovní?kou, s ktorou celú knihu odmietajú svoju lásku.

Deti sú teda zaobstarané a Rod cíti, že ho už toho moc doma nedrží a tak vyráža na cesty, h?ada? Tir Na Nog - krajinu, kde odchádzajú všetky žive bytosti.

A samozrejme anarchisti a totalitári kujú ?alšiu ve?kú rebéliu. Tentokrát prepracovaným plánom poštvú proti lordstvu a krá?ovi a kráľovnej.

Rod síce pomáha, ale ponecháva rozhodnutia a boj na deti. Bojov a akcie tu už nie je tak moc, ale o to viac je rozobraná povaha každého z Gallowglassových, v ?o dospel.

### **Tanner says**

Stasheff weaves together the Warlock and Wizard series to finally give Rod and Gwen an ending. The book sometimes groans under the weight of all the various characters, but for those who have read the other books in the two series, it works very well.

### **C.G. says**

This was the best book of the series. If you have read the series and are invested in the characters, don't read it in public - some very sad things happen, but it is a fitting end to the series. There is one more book about St. Vidicon but I'm going to leave that for later.
