Timothy says

While the Case Closed series for the most part seems like a series that's coasting along using the same twists and turns for the past 35 volumes, vol 36 seems to add a crisis that adds a sense of urgency not normally felt.

Puspacinantya says

well, this is by far has the coolest chapters ever among the other series.
this book is filled with so many intense part like i can even feel the thrill of standing UNDER THE BOMBS IN AN ELEVATOR which can BLOW YOU AND THE WHOLE CITY INTO ASHES!!!

Gosho Aoyama really never disappoint me or anyone else. this surely worth every penny and every time you wasted.

One of my fav cases, one hard day for Detective Satou. First Takagi looks like Matsuda, then he got bomb. Then Shiratori got into his car, and he got blown up. Maybe she is really cursed!! *evil grin*

Stephanie Hiddleston says

Wird Takagi es je schaffen seine Angebote zu küssen?

Gayatri says

I feel terrible about Matsuda.

Proper review to follow

One Word Rec.: **READ**

Rating: **5** ?????

Aoyama Gosho; **DETECTIVE CONAN** [Meitantei Conan #36]

e/read online; genre: { manga, mystery, shounen }; shelves: |comics, GN, **manga**, manhua, manhwa|

General Synopsis:

As mentioned above, I am going to write a proper review for this soon, but I have a few books ahead of this one in the queue, so I cannot stop reading DC NOW! That's sacrilege. I have decided to read all the chapters available up to now (we are almost to 1000!) As you can see, I am totally fangirling over here and I don't care, because this is one of my favorite manga series, ever! But all of this aside, there are a few things I wanted to list so I don't need to go back and look everything up when I do finally sit down and write my fangirl review. 🙌?

V.36, includes Files 362 - 372

DO NOT click on the spoiler link if you don't want to read all the cases in this volume, because it will ruin it for you. On the other hand, if you're a fan like me or are looking for a certain case (and please note, these are how I have set the cases), etc. click away, that's why it's there.

(view spoiler)

Another spoiler link, so don't click if you don't want to ruin this manga. I am going to include the characters introduced or as the series continues are in this volume. Personally, I think us **DC** fans love certain characters more than other (yes, Heiji, I mean you!), so sometimes when we are re-reading this series (like all the time!) you might wish to start at a specific case or start when a certain character is involved.

Personal Opinion:

#1, I never call this CASE CLOSED. If you do, you're not a true fan of this series, so don't even bother reading my review or my personal opinions. I'm sorry if I offend you, but you offended me first by telling me you want to read CASE CLOSED or you just love Jimmy.

#2, as you can tell by #1, I read this online. I would never waste my money buying a manga series in english that cannot get the name correct and mess up the main characters to make it appear more "ENGLISH." I am so happy I don't run a blog and this isn't a review on Sailor Moon, #1, because I have a huge soap box tirade against DiC. I also don't think there is anything against reading something online. Comics, which is what manga are, are meant to be read and shared and sometimes paying over \$10 is too much in my opinion. Plus, I read the newest chapters as soon as they are released from Japan, because I would never miss a release of DC. So this is my personal shout out to you translators from me, Thank You!

This volume is full of excitements! Flashbacks and shocking events!

1. The case of the princess and the island was somehow unexpected, i did predict that the daughter of the mayor was not his real daughter. But what follows *as always* took another turn. I mostly admired Heiji and Conan teamwork.

2. The next case was my TOP FAV! My favorite offices in disguise! Takagi almost dying in a bombing and we all know Sato is concerned. I love the police teamwork when they arrested the gang.

3. I looooooved the flashback about Matsuda! Omg he was too handsome why did he have to die!! Dx but we all know why.

4.It was kinda sad that Sato cancelled the date and just friend zoned him BUT WE ALL KNOW THATS NOT THE END FOR THEM !!

5.the next case was based on the matsuda flashback and other bombing incidents and so Conan and takagi are stuck in an elevator with a bomb and they will have to wait till the message reveal where the other bomb is hidden before it takes off.

So far this volume held so many Sato and Takagi moments omg! Can't wait to start volume 37!!

ALVITA WIJAYANTI says

I like this comic... as usual...

Eva says

Ein sehr toller Band für mich durch die Geschichte mit Sato und Takagi. Bin wieder total im Conan-Fieber! ???

Lissibith says

Well, this is an easy one to pick my favorite, even if it's a little over the top. A mysterious bomber is targeting police officers, but the situation is bringing back some bad memories from Sato's past. Even if the whole being blown up thing doesn't come between she and Takagi, those meories might!

I have a thin line when it comes to melodrama. Sometimes, I love it as corny and hilarious, and sometimes, it just feels syruppy and maudlin. And in this case, all the angst about the past and worry about applying it to the present is on the good side.

Also, I love the climax of this one. <3
