A Touch of Winter

Evie Hunter

A Touch of Winter Evie Hunter

A standalone erotic short story from the author of THE PLEASURES OF WINTER, featuring Abbie Marshall and Jack Winter

A surprise anniversary trip to see her Dom turns into a nightmare for Abbie Marshall. She arrives at his home a day early and finds him with another woman. Devastated by his betrayal, Abbie does what she always does when she gets into emotional trouble – she runs like hell.

But Hollywood actor, Jack Winter, has no intention of setting his sweet submissive free. He loves Abbie, and sets out to convince her that they have a future together the only way he knows – by sensual domination. During a passion filled night, Abbie is exposed to the full force of Jack's erotic arsenal. Despite his apparent infidelity, Winter's touch has scorched a brand on her soul.

One that she's not sure she can forget.

Michelle ♥ The Romance Vault ♥ says

Can't help it, Jack and Abbie are burned into my brain as the fearless duo, I love their relationship so this just had to get the fully monty from me.

I can't help it I love Abbie's character, the unsubmitive sub gives it a nice edge, I love it that she's got bite. I would have reacted exactly the same as her if it were me walking in on Jack and who he was with. Well I might have gone a bit further and bodily harm might have been involved but you get my drift, the situation was written 'real'.

Totally waiting impatiently for the next book of 'Winter' to come out but this was a nice little fix in the meantime.

Yvette Roserie says

A touch of Winter was a quick read but an intense one. If you have not read the Pleasure of Winter and would like to get a sample of Evie Hunters work this is perfect.

If you have read the Pleasure of Winter than this book is a perfect complement to it and give you some closure.

Once you read this book, you will be hooked and want more. Evie Hunter is a great author and I cannot wait to read more of her work.

4 stars

Conclusion to The Pleasures of Winter <http://www.goodreads.com/review/show/...> or at

<http://realitybites-letsgetlost.blogs...>

Abbie Marshall has been dating Hollywood heart-throb Jack Winter for a year now. Upon arriving at his home to surprise him after being gone on a journalist mission, she finds him in a very compromising position with another woman. A heart-broken Abbie runs, with Jack on her heels. Jack has to try to convince Abbie that she is his one and only sub.

My Thoughts:

This was extremely short, but very very hot scenes. I would have liked it much better if it was the epilogue to

The Pleasures of Winter, even though right now it is free on amazon. Even though short, I was still pulled into the story, mainly because of my love for the first. This book has references to the first and the other characters we were introduced to. The connection between Abbie and Jack was undeniable. The love and chemistry were powerful.

Love this! This is a definite read after The Pleasures of Winter!

Esra says

Seri ayn? karakterlerle devam etmiyormu?..

Madem öyle ne diye ilk kitap öyle saçma sapan bitti de araya ?u k?sac?k ?ey(kitap bile diyemiyorum 36 sayfa yaz?yor ama sadece 20 sayfa) soku?turuldu... Epilogue olarak yaz?lsaym?? ilk kitab?n sonunda!! Bir de öyle saçma bir ?ekilde ba?lad? ki o olay?n ard?ndan hemen ?ak diye sonuçlanmas? da ayr? saçma olmu?!!

Bu k?z?n pe?inde ko?anlara ne oldu ayr?ca.. Hemen aradan bir y?l? geçirtmi?ler bir de!!!

Neyse konuyu genel olarak be?enmi?tim, karakterler de fena de?ildi hani o yüzden çok da sövmeyece?im..

Epicbookaddict says

A good 38 page introduction to an author that was unknown to me. However, I wish I'd have read The pleasures of Winter first. This intro gives you a chapter of Pleasures at the end and it was far more interesting as it is the beginning of Abbie and Jack's relationship.

My advice skip the freebie kindle version Amazon will give and go straight for The Pleasures of Winter.

PJ says

An out-of-curiosity read, as I loved 'A Pleasures of Winter' to bits. This is really an Epilogue that deserved to be at the end of ATofW. Perhaps it will be in another edition? In any case, the happy ending is worth the read.

Terri ♥ (aka Mrs. Christian Grey) says

Quick review:

Cover: Nice

Rating: NC-17

Steaminess: HOT

Thumbs Up: 4

Overall: I got more Jack what's not to love

Characters: Very Good

Plot: The aftermath of the HEA

Page Turner: Yes

Series Cont.? Not sure there will be more

Recommend: Yes

Book Boyfriend: Jack

SUMMARY

This book was my Jack fix. There were some editing issues in this one. I don't normally mention but I think this is traditionally published so I'm confused. Anyway, is it worth a read? Yes. Was it a perfect story? No. It's hard for any novella to achieve that. There were just a few things missing but not enough to enjoy the story fully. I just think she got over her mad way too quickly. Anyway, I enjoyed.

Marleen says

Warning: do not read this book before The Pleasures of Winter

While I was reading the Pleasures of Winter I came across a short sequel to this book, which I promptly downloaded.

In A Touch of Winter Abbie and Jack have been together for a year, but Abbie still lives in New York – and travels the world in pursuit of stories – while Jack is based in L.A. and often away of film shoots. When Abbie returns a day early from one of her trips she discovers Jack in the playroom with another, tied up, woman. Furious Abbie storms away and it will take all of Jacks verbal and physical powers to convince Abbie of the fact that what she saw wasn't what she thought and that they are meant to be together. This was an intriguing, hot and charming addition to the original story and provided a proper end to the story of Abbie and Jack.

I.Am.Reader says

For some reason, I connected with the main characters really well in The Pleasures of Winter. Thanks to the author for writing this short story and sealing the deal and the happy HEA. Loved it!

Amy (BW) says

This was a quick little read...which takes place 1 yr later than The Pleasures of Winter. Jack and Abbie's story continues in this Lil novella. I really enjoyed it..and I am definitely looking forward to the next book.

Donna {Book Passion for Life} says

If you've read The Pleasures of Winter - you MUST read this! One very special moment that you don't want to miss.

Holly says

This super short novella gives us an extra glimpse into one of my favorite couple in fiction, Jack Winter & Abbie Marshall.

After walking in on what appears to be a very compromising situation between Jack and an old sub in his Playroom, Abbie is confused and hurting. It's now up to Jack to finally show Abbie who owns his heart and what it means to truly feel...everything.

Ahhhh, I love these two so.freaking.much. What i wouldn't give to find out that the authors planned on doing a series for this couple, as I could never get enough of Jack's kinky goodness. But, short of that...it was nice to get an extra scene with them that manages to be both sexy and sweet.

Michelle Christine Kua says

Short continuation after **The Pleasures of Winter** ???

Its been a year since Abbie and Jack together and because of their work - Abbie being a journalist so she has to constantly travel and Jack being an actor so he is quite busy as well. Yet Abbie was supposed to surprise him by coming home early during their anniversary, only to see Jack doing shibari tricks with Paloma (his former sub). Because of what Abbie saw, she was hurt and thought that Jack was a two timing bitch and he was not able to explain the situation. But Jack knows Abbie too well and she goes down under Jack's touch and they reconcile after being honest with each other.

I loved the quote in this book that brings a lot of meaning:

??? LOVE was the four letter word that people obsessed about, but trust was harder to find and earn. ♥ ♥ ♥

Touch of Winter is a quick short read that take place after The Pleasures of Winter. So it is highly recommended that you read the book before you read this. You can still enjoyed it even if you haven't read it but I think you will appreciate more and you have already been introduced to the characters and their lifestyle.

What a wonderful little extra this is. After I finished The Pleasures of Winter I was itching for more. I was so wrapped up in the world that Evie Hunter had create I was actually heartbroken when it was over. Because I wanted there to be more. So I downloaded this onto my kindle and it was perfect!

It is a must read if you loved the first book. I am not usually big on romance, honestly I am not. But there is one scene in this that made be melt. I was crying and grinning like a cheshire cat because it was perfect.

What are you waiting for you? Go now and getting reading The Pleasures of Winter and don't forget to download this little gem because you will regret not reading it.

QiJia ?? says

A Touch of Winter would be a well written epilogue for The Pleasures of Winter.

*wonder why it's a separate short story instead, it wouldn't make sense if you hadn't read Pleasures of Winter
*

It sums up Abbie and Jack's relationship after a year together and it's nice to see them shedding off their insecurities and trusting each other.

:)
