## Miss You Forever Josephine Cox

One winter's night, in the coal-hole in her yard, Rosie finds that a woman sheltering there has been severely beaten by thugs. At a glance, Kathleen looks like an unkempt, aged vagabond who tramps the roads carrying all her worldly possessions in a grubby tapestry bag. Her only friend is the mangy old dog who accompanies her; the sum of her life is in the diaries she so zealously guards. Yet close up, Rosie can see that Kathleen has a gracious beauty - the 'look' of a respectable lady of means.

In hospital, fighting for her life, yet moved by Rosie's care and compassion, Kathleen entrusts the diaries to her, urging her to look at them. There, in the soft glow of the lamp, Rosie reads a heartrending tale of stolen dreams, true love, heartache and loss. A tale that, somehow, must have a happy ending . . .

## **From Reader Review Miss You Forever for online ebook**

### **LOUISE Adams says**

#### **Miss you forever.**

Great read kept you wanting more the story about the struggle of the main caricatures keep you intrigued enjoyed very much..

---

### **Maureen Allen says**

Another good read from Josephine Cox. This story tells how it really used to be although fiction the base is factual as there were the rich and poor but poor in the time of this book really was without anything. Really enjoyed this book and found it hard to leave until I had finished reading it.

---

### **Evelyn says**

I actually started this book yesterday, so it was a two day read, not a one day read. Larger than usual font and very simply written made it go really fast. Nice story, a bit too pat at the end, all the good guys live happily ever after, all the bad guys find that revenge is never the answer.

Interesting premise for the story, however, it is supposed to be Kathleen's diary that tells the story and this does not read like a diary at all.

Good quick summer feel good read.

---

### **EILEEN SHEPPARD says**

#### **Heartwarming**

This book was delightful, I loved the story and the author brought the characters to life and I was both happy and sad for the main character Kathleen. Kathleen and her brother Adam have a horrendous brutal man for a father, and a timid selfish woman for a mother. A tragedy happens and their young lives are changed forever. We are taken on a journey from then on , I loved the book. It was a heartwarming story and I would recommend it.

---

### **Annette Summerfield says**

Oh how I hated this book, it made me want to cry. So bitter sweet, horrible, nice, sad.

You'll want to slap-kick the money hungry, greedy kids and their mean, selfish ways. You'll want to take Katherine in yourself and look after her.

I wish she had a chance to have children herself though. She wanted to have children.

Towards the end, when Christian and Melinda ruins her life..she should have found Murray sooner. That would have made the book better and not so sad.

Yes, I know, she gets to finally be with her true love, but she shouldn't have needed to live on the streets for it to come about.

Happy ending that made me cry.

..and Rosie, I so hope she leaves that man and ends up with Murray's son and lives happily ever after.

---

### **Brenda Clarke says**

#### **Brilliant story**

A very gripping story, I had a job to put the book down. Will be reading more of Josephine Cox's books in future.

---

### **Rowlie says**

Another great Josephine Cox read. Couldn't put it down.

---

### **kate pullinger says**

#### **Miss you forever no cox**

Brilliant story. Read it in 2 days. Up to the usual high standard from Jo.  
Can't wait to start another one!

---

### **Roxie Gallinger says**

another great book by josephine cox....she pores it from the heart and pulls on yours....great book once again....loved it....heart whelming....couldn't put it down....

---

### **Sharon Reeves says**

I have read a lot of Josephine Cox books, and enjoy them, mainly because they are quick to get into, and are a nice easy to read story. This one I felt was one of her better ones, because it was slightly different. It was a lovely story, and not too predictable. Recommended.
