Elijah, Steps to a life of power

Bob Saffrin

Elijah, Steps to a life of power Bob Saffrin

This book is a guide, tracking the life of the Old Testament prophet Elijah, to discover God's plan for us, and learn how to receive his power to accomplish that plan.

Each of our lives is a story with a sum total that adds up to something. What does your life add up to so far?

What will people say about you when your story ends? Will you make a difference? When people talked about Elijah, they said that the purpose of his life was to turn the hearts of the people back to the worship of the one true God. They said that his mission was: "...to make ready a people prepared for the Lord."

God has given you a purpose and a mission as well. God has a plan for every life. My hope for you as you read this book is that when you are done you will not be satisfied, but hungry, hungry to hear the infinite God of the universe speak to you as a lover speaks to his bride. I pray that you will finish, panting for more.

From Reader Review Elijah, Steps to a life of power for online ebook

Heather Bixler says

I had no idea this book would have such a powerful impact on me. It is one of those books you don't really know you need to read until you do and then while you are reading it you feel like the book was written for you...

I really love Bob's writing style, it flows nicely and word after word is full of encouragement and gentle nudging to simply have the faith to move forward in whatever it is God is calling you to do, even if you are afraid and feel completely unworthy.

If you are looking for a great book that will encourage you in your walk to serve God in ministry, or in life, then this book is for you. It is also a great book to be used within Bible Study groups.

Karen says

Great read. Life principles you can apply starting today!

Joan Glover says

I see my journey with God more clearly after reading this book. It helps to look back at times I have been completely isolated and God cared for me, though at the time I felt abandoned and alone. I can see how God used it to prepare me for a future I never saw coming. I want to read more books by this author.

Justin Nichols says

3.8 -- Pretty good read. Saffrin has several terrific points about Elijah's life, faith, and power in the Lord that can be heeded and applied to our own walk. It was solid; it just didn't have quite the punch I was looking for.

Ricardo says

Love It

very good book,full of wisdom and lesson for each of us .
You will be bless when you read it for personal o group time.

Michael G. Hodges MD says

Great devotion book on Elijah

Great devotion book on Elijah

I enjoyed this book on Elijah. It worked well as a daily devotion. Even though I had read a lot about Elijah, I learned new things.

Jennifer says

This one I would really rate 3.5. I have read several books by Bob Saffrin on the lives of Biblical prophets. I like the way he points out lessons from their lives that can help me in my walk with God.

Robert J. Gallo says

Powerfully Uplifting

This book promises a personal, spiritual self-realization through revisiting the life of the great prophet Elijah- and makes good that promise. A must-read for anyone wanting a spiritual restart and thirsty for a renewal of God's blessing.

Vicki Talley mcnamara says

Great book

I chose a 5 star rating for the above mentioned book because it encouraged me to see that renewal, dedication, and obedience are the keys to following Christ. Using Elijah and then Elisha as examples not only helped me to see what I was not doing correctly in my walk but it also encouraged me to repent to restart.

Thank you for your obedience in writing this book.

,D.A. Lobel, M.D. says

Powerful book for fulfilling your purpose

For those who are looking for the steps to take to fulfill their God inspired destiny, this book is for you. It walks the journey through Elijah's life pointing out Key character traits that he had that allowed God's power to flow through him. Importantly it also highlights Elijah's struggles, and provides a meaning for those and describes his way out. Anyone who wants to move forward in their path in life will identify with

this book. I would love to see a book written by the same author about the life of Elisha as well.

Carla says

Excellent Book

I highly recommend this book. Saffron gives challenging questions to ponder at the end of each chapter. He gives good insight into living a powerful, godly life through studying Elijah's life.

Nancy A Heaps says

Great read

I very much enjoyed this book and highly recommend it for anyone seeking God and His will. I'm so glad I read it!

Crystal Leas says

Elijah a model for Christians

Mr Safran introduces us to Elijah, a man no different than us. Elijah is not perfect and has many doubts about his abilities. God prepares Elijah for what will be his greatest achievement. I like the short chapters with a lesson to follow. Great book for individuals or a small group study. You will feel inspired to seek God's calling for you.

Larry B Gray says

“Elijah – Steps to a Life of Power” by Bob Saffrin is an excellent book. The author has taken the life of Elijah and broken it into very detailed segments telling of his struggles and ultimate triumph of faith and power. Then the author takes each segment and relates it to our lives and shows us how to achieve all that God has for us.

The book is well thought-out and written making it easy to read. I found the book very uplifting and applicable into today's world and my life.

I highly recommend this book.

Patricia C Robbins says

We Have the Power

When we all get to heaven, we will finally realize how bankrupt we were; not because God was not willing to take care of us but because we didn't trust Him enough. We are so rich, but we live as though we are paupers. The things of this world do not compare with the glories that will be ours in heaven. And we can have them right now if we will just let go and allow God to lead us His way.
