Christopher says

Luffy is the most laid-back dude of all time. But don't make his crewmate cry.

Just fights for the whole volume. It's fun, but still don't finish in this one. On to volume 11!!

Kinsey says

Such a great opening.

Nami asks for help and Luffy is unleashed! Zoro's epic fight with Hatchi while on deaths door. Classic Usopp taunting his enemy and promptly running away, ultimately defeating Choo. Sanji defeats Kuroobi.

Shane Reynolds says

"You made our navigator cry!" This is all the reason Luffy needs to pick a fight with the biggest threat in the East Blue! The fight begins in this thrilling volume, focusing on the individual fights of Zoro, Usopp, and Sanji. Each character gets their time in the spotlight.

Zoro's fight with Hachi shows how determined and strong the three style swordsman is. Sanji's fight with the Fishman Karate master, Kuroobi, lets the suave cook have a suspenseful battle under water. The final fight of the three, Usopp, is filled with laughs. The brutal nature of his opponent, Choo, leaves the liar bloody, but his determination serves a satisfying conclusion.

As the volume continues, Luffy finds himself in a sticky predicament. Arlong shows he does not care to play dirty, fully taking advantage of Luffy's weaknesses. After a nail biting wait for the Straw Hat captain, Luffy jumps in for a final showdown with the shark tooth warlord.

Volume 10 is a great action oriented installment. It shines the spotlight on Luffy's crew and the hardships they take in these fights. Seeing what they'll go through for a friend just gives these characters a real charm. By the end you'll be scurrying to your book store for volume 11 and the conclusion to Arlong Park!

(Znowu masowe zakupy, wi?c zaraz pewnie sko?cz? te? nast?pny tom)

Abstrahuj?c od historii, musz? w ko?cu pochwali? polskie wydanie, bo jest ?wietne. T?umaczenie wydaje si? bardzo naturalne, humor nie?le dostosowany do polskiego czytelnika (a humoru to tutaj nie brakuje).

Ogólnie wykonanie, ok?adka, edycja itd. - wszystko na wysokim poziomie.

Co do tre?ci - jak to One Piece - czyta si? bardzo szybko (a? za szybko), gra na emocjach, oj gra, chocia? akurat w tym tomie wi?cej humoru i akcji ni? emocji (w poprzednim by?y ?zy).

Co tu du?o mówi?, z ka?dym tomem coraz lepiej.

4 estrellas . ¡Excelente tomo! . Es el inicio del final de la saga , donde todos los sentimientos acumulados que explotaron en el anterior tomo que fue una obra maestra , aquí se ha agotado el tiempo para llorar , todo ha quedado atrás , es tiempo de poner manos a la obra y arriesgar tu vida para erradicar la maldad desde su raíz . Será un camino peligroso , pero todo por un amigo .

Un tomo lleno de acción donde todo se complica de manera bastante cómica y que adquiere un tono bastante dramático . Un tomo lleno de peleas por separado que realmente tienen una agilidad argumental y narrativa visual bastante sorprendente sin pierde alguno. Las peleas son bastante creativas y con un alargamiento nulo , tan solo lo necesario . ¡Muy buenas! . Zoro , Ussop , Sanji, todos participan .

Realmente me causa cientos de emociones este pueblo que ha sido esclavizado , todo lo que ha soportado , el como han sido pasivos y permisivos , como aman su pueblo y lo que harían por defenderlo . Realmente es una saga bastante madura donde One Piece explota todos estos momentos , personajes y situaciones para llevarlo al limite de la creatividad .

Al final nos damos cuenta que en tomo que viene acabará todo , solo queda el 1 vs 1 , todo esta en su punto culminante y estallará como un presagio de lo que la banda de los sombreros de paja se podrá convertir , es el último paso para acceder al Grand Line seguramente . Todo retorna a los lectores como un pequeño ejemplar de 200 páginas que dará de que hablar . RECOMENDABLE .

For me, One Piece is best Manga ever written. The story always touch my heart, it is a combination of faithful friendship, laughter, loyalty and action.

Some people might find this manga as silly and pointless (I've heard this before) but they never truly read the Manga and therefore judging it simply from the cover. I've been in that position too...and thank God I finally looked beyond the cover and found the greatest adventure any Mangaka ever written.

Easily the best volume so far. Lots of action, lots of feels. Nice to see the core crew all together finally. Nami's backstory had me tearing up.

Manami Yamaguchi says

Luffy, Zoro, Usopp and Sanji become stronger little by little. Almost every time that they fight, they get a new skill. Not only Luffy but also other crew, so I'm not bored to read it!

Koichi Mashita says

I thought that the fighting between Luffy and Aaron will be finished on this volume, but it will not. Aaron is the strongest antagonist of this manga. Fish men have advantage of the ability of the sea. You know that the people have a special ability by Devil's fruit was weak against sea. They can not swim. On the other hand, fish men can swim fast and they make more powerful when they are in the water. They wanted to fight against main characters in the sea. However Luffy's mate can win the fighting. I want to know the result of this fighting.

Junpei says

In this manga, Luffy defeated Arlong. That battle was incredible and wonderful. All of Luffy's crew was stronger than any of Arlong's crew.

First of all, I enjoyed this volume much more than the previous ones. This just gets better and better! Luffy, Sanji, Zoro, Usopp fought so hard for Nami, for friendship, in this case, we called it nakamaship! I loved how Oda-sensei built up the tension, greater enemies, and especially using Mermen as a symbolism. Mermen in so many ways much more powerful than normal human beings in this One Piece world. I've read the volumes after and I get to see how they are being oppressed, you can't really blame them wanting to rebel or fight for their own kind, but Arlong and his crew did go too far ahead and causing misery to others who are weaker than them. This reminds me of what happened in our real world actually... so I think this volume and this Arlong arc is one of the arcs that influenced me the most... and this volume is also magnifies the potential of this whole series! Zoro, Sanji and Usopp were awesome!!! This is also when my OTP senses starting to crawl in, I mean, Oda-sensei mentioned that he won't include any romance in this manga because it is a shounen manga, which means, manga supposedly channeled towards boys and the characters are much like hot blooded, but my OTP senses is tingling and yeah a hint, ZoNa, LuNa....hohohoh! Zona is my fav!! The fighting scenes were really entertaining and thrilling! 5 stars or just all the stars!!ahaha!
